Consumption And The World Of Goods:

Consumption and the World of Goods John Brewer, Roy Porter, 1993 Provides an insight into the historical and cultural roots of mass consumerism **The World of Goods** Mary Douglas, Baron Isherwood, 2002-09-11 First published in 1979 this volume introduces a cultural factor to theories of consumption The World of Goods goes beyond standard economic analyses which rely on theories of individual psychology Douglas studies how consumers use goods to fulfil their intentions in regard to one another The World of Goods insists that goods are wanted for social purposes for sharing and giving more than for the private enjoyment that is the pivot of utilitarian explanations This book offers a completely original way of thinking about consumption as a series of rituals **The World of Goods** ,1979 **The World of Goods** Mary Douglas, Baron C. Isherwood, 1996 **Consumption and the World of Goods Intro** J. and Roy Porter Brewer, **The World of Goods** Mary Douglas, Baron Isherwood, 1980 Buying Into the World of Goods Ann Smart Martin, 2008-03-14 Cowinner 2008 Fred Kniffen Book Award Pioneer America Society Association for the Preservation of Landscapes and Artifacts How did people living on the early American frontier discover and then become a part of the market economy How do their purchases and their choices revise our understanding of the market revolution and the emerging consumer ethos Ann Smart Martin provides answers to these questions by examining the texture of trade on the edge of the upper Shenandoah Valley between 1760 and 1810 Reconstructing the world of one country merchant John Hook Martin reveals how the acquisition of consumer goods created and validated a set of ideas about taste fashion and lifestyle in a particular place at a particular time Her analysis of Hook s account ledger illuminates the everyday wants transactions and tensions recorded within and brings some of Hook s customers to life a planter looking for just the right clock a farmer in search of nails a young woman and her friends out shopping on their own and a slave woman choosing a looking glass This innovative approach melds fascinating narratives with sophisticated analysis of material culture to distill large abstract social and economic systems into intimate triangulations among merchants customers and objects Martin finds that objects not only reflect culture they are the means to create it **The World of Goods** Mary Douglas, Baron C. Isherwood, 1979 Examines the workings of the economy from the perspective of social anthropology and discusses how goods are used in cultures as a means of communication
