Contemporary Biblical Interpretation For Preaching

Philip D. W. Krey, Peter D. S. Krey

Contemporary Biblical Interpretation For Preaching:

Contemporary Biblical Interpretation for Preaching Ronald J. Allen, 1984 A timesaving system of sermon preparation using critical exegesis in a simplified manner to develop fresh biblical interpretations each week **The Study of Theology** Richard A. Muller, 1991 The Study of Theology address two major concerns the place of biblical hermeneutics and practical theology The author discusses the hermeneutical implications of biblical historical systematic and practical theology and presents a case for the relationship between exegesis and the other theological disciplines However the relationship between hermeneutics and practical theology is also essential According to the author the traditional forms of theology and preaching frequently fail the tests of exegesis and contemporary theologizing while at the same time most contemporary theology and exegesis fails to address directly the needs of the church Muller presents a case for the structure of hermeneutics and argues that it is essential to the church because theological training as a whole ought to reflect the life of the church and be of value to the life of the church **Handbook of Contemporary Preaching** Dr. Michael Duduit, 1993-03-01 Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more

Performance in Preaching (Engaging Worship) Jana Childers, Clayton J. Schmit, 2008-11-01 This volume which launches the Engaging Worship series from Fuller Theological Seminary's Brehm Center for Worship Theology and the Arts offers a unique study of sermon delivery While many books offer advice on how to prepare write and preach a sermon this volume is distinctive in approaching the subject from the perspective of performance The authors who teach at a variety of seminaries and divinity schools across the nation examine how the sermon can bring God's word to life for the congregation In that sense they consider the idea of performance from a wide range of theological artistic and musical viewpoints These thoughtful essays will engage clergy and students with new ways of looking at the art of preaching *Preaching the Word* Karoline M. Lewis, 2023-04-11 The question of what to do with the biblical text in the sermon is perennial Biblical scholarship constantly evolves and grows making it hard even for biblical scholars themselves to apply the latest insights in their preaching The average pastor doesn't have time to keep up with the changes in biblical studies and as a result often defaults to interpretive methods learned in increasingly distant seminary years Preaching the Word addresses those needs by surveying recent developments in biblical studies with an eye to applying them in preaching the Gospel of John Noted New Testament Scholar and homiletician Karoline Lewis lays out these recent interpretive tools and methods demonstrating their application to preaching using specific passages in the Fourth Gospel *The Modern Preacher and the Ancient Text* Sidney Greidanus, 1988 A fusion of biblical hermeneutics and homiletics this thorough and well researched book offers a holistic contemporary approach to the interpretation and preaching of biblical texts using all the scholarly tools available and focusing especially on literary features Greidanus develops hermeneutical and homiletical principles and then applies them to four specific genres Hebrew narratives prophetic literature the Gospels and the Epistles *Interpretation for Preaching*

and Teaching Stanley E. Porter, 2023-08-08 Renowned biblical scholar Stanley Porter offers an accessible introduction to hermeneutics to help students and pastors better interpret and understand God's Word Interpretation for Preaching and Teaching focuses on various levels of interpretation and proclamation which are arranged in a necessary hierarchy language and linguistics the biblical text biblical theology systematic theology and homiletics Stanley Porter grounds the discussion within a conversation of biblical authority and offers a fresh examination of the key issues The result is a workable method that introduces each of the major topics of interpretation and addresses some of the complexities of their use This book provides the basics for a Bible interpreter to move from fundamental questions about the task of biblical interpretation to understanding a text and its theology to creating and delivering a sermon It offers valuable guidance for professors and students of hermeneutics and equips pastors and Bible teachers to deliver a relevant message to those who rely on them to be faithful interpreters Handbook of Contemporary Preaching, 2nd Edition Michael Dudit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching *Preaching Christ from the Old Testament* Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament Dictionary for Theological Interpretation of the Bible Kevin J. Vanhoozer, 2005-11 This groundbreaking reference tool introduces key names theories and concepts for interpreting Scripture **Scripture as Real Presence** Hans Boersma, 2018-07-17 Christianity Today Book Award Winner This work argues that the heart of patristic exegesis is the attempt to find the sacramental reality real presence of Christ in the Old Testament Scriptures Leading theologian Hans Boersma discusses numerous sermons and commentaries of the church fathers to show how they regarded Christ as the treasure hidden in the field of the Old Testament and explains that the church today can and should retrieve the sacramental reading of the early church Combining detailed scholarly insight with clear compelling prose this book makes a unique contribution to contemporary interest in theological interpretation *Preaching from the Soul* Dr. J. Ellsworth Kalas, 2010-09-01 Careful biblical interpretation insights into contemporary life polished delivery humorous anecdotes these are the building blocks of preaching that genuinely reach people Right Wrong says Ellsworth Kalas We have all encountered preachers who seem to know all the fine points of exegesis and inflection yet whose sermons leave us surprisingly unmoved aware that we were in the presence of good speaking but not great preaching The difference Kalas reminds us lies in that hard to describe yet essential quality known as soul Soul is the collection of those perspectives and convictions that matter

most to the preacher Soul preaching means offering one's particular ideas attitudes and convictions fully to the congregation When one preaches with soul one engages the biblical text with the core of one's values and beliefs Soul preaching is in other words simply giving the whole self to the task of proclamation While the concept may sound simple the reality is anything but In the clear insightful style for which he is known Kalas takes readers on a path of discovery introducing them to the unique gifts that they can bring to preaching and the best way to engage those gifts in preparing and delivering the sermon

Romans 9-16 Philip D. W. Krey, Peter D. S. Krey, 2016-10-19 In this volume of the Reformation Commentary on Scripture Philip Krey and Peter Krey offer a diversity of Reformation era biblical commentary on Romans 9-16 Drawing upon Lutheran Reformed Anglican Radical and Roman Catholic resources they reveal the breadth and depth of early modern biblical exegesis for the renewal of the church today Delivering the Word William John Lyons, Isabella Sandwell, 2014-09-11

Biblical texts have been used consistently in sermons throughout Christian history Preachers have transformed the texts into an aural experience using them to evangelize educate edify exhort or even terrify their audiences Sermons have enabled Scripture to be communicated to people from a wide range of social backgrounds Delivering the Word examines the power of preaching and its reception across two millennia of homilies from St Paul Origen Chrysostom Augustine and Hildegard of Bingen to Jonathan Edwards Samuel Taylor Coleridge Aimee Semple McPherson and Chris Brain In its exploration of the impact of the sermon on the interpretation of Scripture Delivering the Word will be of interest to students of biblical and religious studies

The Biblical Interpreter Richard L. Rohrbaugh, 2018-12-04 It is ultimately the preacher who determines how the biblical text is used in the church To assume that professional scholars alone can produce a definitive interpretation of the Bible for the church is to lose sight of that fact Richard Rohrbaugh adds a new dimension to the process of biblical interpretation by providing a cross disciplinary study which takes into account both the interpreter and the text being interpreted The Biblical Interpreter makes the findings and insights of scholarship available in such a way that the preacher is given new resources for interpreting the text today Drawing from sociology and the sociology of knowledge as well as contemporary biblical studies Rohrbaugh examines the Scripture in its agrarian social setting This outlook is compared with how the text is usually interpreted in industrialized societies The clash and contrast of these two world views dramatically illustrates the importance of seeing the Bible in its sociological setting if we are to understand its contents in our age *Toward an Exegetical Theology* Walter C. Kaiser, Jr., 1998-08-01 Proposes a method of biblical interpretation

consisting of contextual syntactical verbal theological and homiletical analysis **Christ-Oriented Expository Preaching** Kyoochan Lee, 2020-07-24 This book provides an exegetical theological rhetorical paradigm the Christ oriented approach Lk 24:27-44 that facilitates accuracy effectiveness and practicality in preaching the New Testament use of the Old In providing a practical expository model and sermon preparation evaluation principles this work moves beyond the level of theory into the realm of praxis and will thus appeal to practitioners as well as to academics The New Interpreter's® Handbook of

Preaching ,2010-11-01 The New Interpreter s Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice *The Bible in Theology and Preaching* Donald K. McKim,1999-05-05 Preaching for the Church Richard R. Caemmerer,1959 This informative resource presents practical ways to reach your listeners with the message of Law and Gospel It lays out the theology and process of homiletics in an effective goal malady means approach This book attempts to relate the many facets of Christian preaching its preparation and delivery to a covering theological principle namely that preaching is God s Word in Christ to people This principle is in the forefront of contemporary Christian thought because of fresh interest in Biblical studies concern for the theology of the church and new insight into the meaning of the Word of God It has three parts God has redeemed men through Christ to be His own and puts the Word of Christ on the lips of people to give men life and faith The Scriptures set forth God s plan in Christ and hence are the primary source and shape of this message The people who have come to faith in God through Christ are His church and need to receive and to give His Word for their life
