You probably went to school and had earned a degree, you spent sleepless nights working on your education so that you could further your career. Unfortunately, motherhood demands much from you, and you decide to quit your 9-5 job or your boss is stressing you, or even the job you got does not make you happy. Regardless of your gender, age, or skin, or height, today's economy does not cut anybody any slack. Bills have to be paid, and you have to feed and dress your children and yourself. SO is it possible to have a profitable and fruitful career while working at home? Well, the answer is YES. Only if you balance your life.
