Bots in Suits Nick Gausling, 2023-02

YOUR WORLD IS ABOUT TO CHANGE. The dawn of mainstream generative artificial intelligence (AI) is here, and pretty soon it will radically transform the way the world does business. While there's a lot of unknowns, one thing is for sure: business leaders who understand how to use this technology will have a massive advantage, while those who don't risk getting swept away with the times. Which one do you want to be? In this book, business consultant Nick Gausling shows you how to use generative AI for your business through highly realistic example dialogue with an AI chatbot. This isn't just dry theory; the dialogue in this book was largely co-created with a real AI. You'll walk away with a strong sense of what this technology is capable of in a business setting and, hopefully, a few great ideas of your own on how to apply it in your business. This book is intended for any business leader, entrepreneur, small business owner, consultant, professional contractor, or employee who is looking to gain some practical knowledge about what is going on with this groundbreaking new technology and how they might use it in their own business activities. Whether you're a senior Fortune 500 executive near the pinnacle of your career, a member of Gen Z who just recently entered the workforce and wants to make a splash, or anything in between, this book is for you.
