Managing Daily Stress River Mindfulness,AI,2025-03-03

Managing Daily Stress offers an evidence based guide to understanding and reducing the impact of stress which is vital as unmanaged stress can lead to health problems and reduced productivity The book uniquely combines psychological strategies with insights into the biological mechanisms of stress Did you know that modern research highlights a complex interaction between the brain body and environment in shaping our stress response This book offers a more nuanced approach than traditional relaxation techniques The book progresses from explaining core concepts of stress physiology and psychology to exploring how cognitive processes can worsen stress It then focuses on practical techniques such as cognitive restructuring and mindfulness A key argument in Managing Daily Stress is that stress is a dynamic interaction between our perceptions physiological responses and environment By understanding these interactions you can cultivate resilience and the book emphasizes personalized approaches not just quick fixes to help you manage daily stress effectively

Professional Communication and Network Interaction Heidi A. McKee,James E. Porter,2017-06-14 Drawing from classical and contemporary rhetorical theory and from in depth interviews with business professionals the authors present a case based approach for exploring the changing landscape of professional communication **Quiet Works** Joseph McCormack,2024-10-15 We live and work in a world of nonstop noise It s time to reimagine how we work and make silence the secret ingredient From the time we wake up our workday starts We re on the smartphone texting and emailing scrolling news feeds jumping on video conference calls It s a 24 7 hamster wheel Work culture at the office hybrid or remote is defined by too much information and constant collaboration There s no time and place for thinking alone In Quiet Works Joe McCormack proposes a simple practical and useful way to work more strategically and intentionally You will learn to Make appointments for quiet not run from or cancel them Set boundaries to alert others not to disturb or distract you Balance time spent alone in quiet with time together collaborating Design workspaces that are conducive to quiet Use tools and practices that are realistic and rewarding The noise of constant distractions interruptions and digital devices doesn t need to defeat us We can set the conditions for ourselves colleagues and organizations to slow down periodically while everything is speeding up Quiet Works will help you become a stronger professional who is empowered and energized to work in a better smarter and more productive way in today s competitive noisy environment **Proceedings AAAI ...
