365 Low or No Cost Workplace Teambuilding Activities John Peragine, 2017-01-17 It's now easier to find an activity that you think will work best for your team. The second edition of this book includes more team building activities for teams that telecommute or work from home. It also includes more activities that highlight the importance of diversity, breaking down stereotypes, and acceptance.

Designing Digital Experiences for Positive Youth Development Marina Umaschi Bers, 2012-03-02 Based on over a decade and a half of research, this title aims to guide readers in the design of digital technologies to promote positive behaviours in children and teenagers.

Handbook of Adolescent Literacy Research Leila Christenbury, Randy Bomer, Peter Smagorinsky, 2011-06-10 The first comprehensive research handbook of its kind, this volume showcases innovative approaches to understanding adolescent literacy learning in a variety of settings. Distinguished contributors examine how well adolescents are served by current instructional practices and highlight ways to translate research findings more effectively into sound teaching and policymaking. The book explores social and cultural factors in adolescents' approach to communication and response to instruction, and sections address literacy both in and out of schools, including literacy expectations in the contemporary workplace. Detailed attention is given to issues of diversity and individual differences among learners. Winner, Literacy Research Association's Fry Book Award.

Media Literacy W. James Potter, 2018-12-27 The essential guide to decoding messages in a media-saturated world. Media Literacy teaches students how to navigate through the overwhelming flood of information found in today's media-saturated world. Drawing from thousands of media research studies, author W. James Potter explores the key components to understanding the fascinating world of mass media. Potter presents numerous examples and facts to help students understand how the media operate, how they attract attention, and how they influence the public. The Ninth Edition has been thoroughly updated to evolve with the ever-changing media landscape and features a new chapter on fake news, debating what we as news consumers can do to recognize fake news in order to avoid its influence. Each chapter concludes with a set of exercises to help readers apply the chapter material to everyday life and engage in a step-by-step process to increase their own media literacy.
