of all our lives is it a surprise that we are more vulnerable to Internet scams and Internet fraud So for all those people who

want to know about the different ways in which a person can get scammed through Internet scams and Internet fraud here is

a complete information dossier telling you all about identity thefts credit card thefts Internet fraud and Internet scams Along

with this you are going to know more about how fraudsters can gain access to your bank account thanks to emails which you

demand information from you under the garb of updating your banking details and information Ignorance is not bliss In such

cases you have to be one step ahead of all the scamsters who benefit from a credulous public who believe that if banking and

financial company officials have written to you about a serious matter it is serious They thrive on such threatening and scare

tactics telling you that your account is going to be limited within three days or some such ultimatum Remember that no bank

or any other institution which has anything to do with money is going to ask you for your details by asking you to update

them online Anybody with a little bit of common sense knows that any information which is sent online either through mail or

through tapping on supposedly secure websites can be easily accessed by any hacker with a little bit of experience and

computer know how So apart from showing you ways and means with which you can check these Internet scamsters and

credit card identity thieves this book is going to give you information on how you can protect yourself from future financial
