Microsoft Copilot Pro Step by Step Lisa Crosbie,2024-12-20 Copilot Pro enables you to be more creative and productive but using generative AI requires a whole new way of thinking most users try once or twice get poor results and give up This book teaches them what they don t know and helps them get started with the right skills Copilot Pro adds generative AI experiences into the most used Microsoft applications Outlook Word PowerPoint Excel and OneNote enabling users to be more productive and creative by generating first drafts editing and improving their work easily understanding and finding pieces of information in large documents and gaining new insights It also allows users to generate text and images in a browser and via a mobile app using the latest AI models This is a completely new way of thinking and working like having your own personal enthusiastic intern working side by side with you every day to take on the mundane and time consuming tasks freeing you up for more interesting and creative work Generative AI has been everywhere in the media with a huge hype cycle but most everyday workers don t understand how it can be applied to their day to day work in a practical and transformative way This will follow the Step by Step series format taking the user through a series of steps they can follow to learn practical skills and understand what s possible The nature of generative AI is that the results vary every time so the book will provide several different examples of each skill to illustrate the variances and possibilities and help the reader find examples that are most relevant to them to build their understanding and knowledge Copilot Pro is designed for the consumer or home user and was only announced and made available in January 2024 The uptake of generative AI is more rapid than anything we have seen with any other technology with the free version of Copilot already having had 5 billion images created and 5 billion chats conducted as at the end of January 2024 both doubling quarter over quarter There is very little in Microsoft learning resources available yet on Copilot and there is a huge demand for learning in this space People don t know what they don t know and need help with the new way of thinking required to use this technology in practical and effective everyday ways The author Lisa Crosbie has built a community of learners through her YouTube channel where she is known for her ability to explain technology in a way that makes sense to non technical users **Country Guide and Nor'west Farmer** ,1911 **When Writing Workshop Isn't Working** Mark Overmeyer,2024-12-27 Writing is hard work Teaching it can be even harder As most teachers know writer s workshop doesn t always go as planned and many find there

are obstacles that they consistently struggle with In his role as a literacy coordinator and teacher Mark Overmeyer has heard the same issues raised again and again by both new and experienced colleagues When Writing Workshop Isn t Working Answers to Ten Tough Questions Grades 2 5 provides practical advice to overcome these common problems and get your writing workshop back on track Acknowledging the process based nature of the writing workshop this book does not offer formulaic program based one size fits all answers but presents multiple suggestions based on what works in real classrooms This second edition includes updated ideas for common issues in the workshop and features new chapters on technology and resistant writers Questions addressed in the new edition include How can I reach resistant writers How can I support students in their use of technology including AI How should I assess student writing How do I manage writing conferences How can I help my students revise and self edit This book is a handy reference tool for answering specific questions as they pop up during the year Overmeyer uses student examples throughout to help teachers envision these solutions in their own classes and he includes an array of classroom tested ideas for multilingual learners There may not be any easy answers to the complexities of writer s workshop but by identifying and providing advice on common stumbling blocks the second edition of When Writing Workshop Isn t Working provides a solid groundwork freeing up time and creativity for teachers to address the specific needs of their students
