it because you have to The outcome doesn't matter it is about the process and structure You need to learn to slow down and just stick to one thing Being tired of such struggles I became a massive consumer of personal development self help and psychology books as I enjoyed my 20s While I learnt a tremendous amount during this time I ran into one striking problem Much of the advice I consumed was written by and for someone with a radically different personality than my own For example a productivity book like *Getting Things Done* written by David Allen an ISTJ or a business book written by Jack Welch ENTJ This led me on a journey that eventually ended with me coaching ENFPs from around the world for over a decade now In doing so I've been able to discover what sets us apart beyond culture and what our universal strengths and needs really are I wrote this book from the mindset of If I was flying to New Zealand and sat beside an ENFP I'd never see again what would I share with them during the flight When you read *The ENFP Calling* you're going to find answers to big questions like What is my purpose What am I supposed to be doing with my life Can I ever be happy with just one career How do I need to live so I can look back with no regrets You'll also get insights on other important life questions such as Am I with the right person What kind of relationship will empower me to reach my potential How can I feel healthier energized and focused without losing my freedom What else will you be getting when you read *The ENFP Calling* ENFP Career and Entrepreneurial Advice Why every ENFP should replace career for calling in their vocabulary The difference between fear and the feelings that are actually normal whenever you start something new The 4 things every ENFP needs to be happy and successful in their job AI the future and how ENFPs will fare it is VERY good news A guide to the best industries and careers for us Campaigners Dating Relationships The mistake every ENFP guy makes when it comes to dating and what to do instead The relationship trap many ENFP women fall into it happens when they're going through a tough time Are ENFPs even wired for Monogamy Yeah I go there ENFP Health Family and Mindset Advice ENFP best practices to feel healthy energized and focused Why following your heart is actually the most left brain move ever How to believe in yourself and move forward when friends or family doubt you Why trying to be another type or conform to external expectations is a guarantee of burnout and depression A mindset of self acceptance and love that will fill you with energy and propel you to action Read *The ENFP Calling* today and learn what has worked and what hasn't for the 100s of ENFPs I've had the pleasure of knowing and coaching This includes ENFPs from nearly every corner of the globe from Japan Korea and Indonesia to Brazil Peru and Mexico Turkey Saudi Arabia and Morocco to just about every country in Europe and of course all those English speaking countries too With Love Dan Not a Zombie Johnston
