Research Handbook on the Sociology of Youth Judith Bessant, Philippa Collin, Patrick O'Keeffe, 2024-05-02 In this groundbreaking *Research Handbook on the Sociology of Youth* researchers from the Global North and South examine the social political cultural and ecological processes that inform what it means to be young It explores the diversity of youth experiences and ways young people live their lives responding to and actively working to overcome inequality adversity and planetary crises

Antimicrobial resistance toolkit for youth engagement Food and Agriculture Organization of the United Nations, UNEP United Nations Environment Programme, World Organisation for Animal Health, World Health Organization, 2024-10-22 Antimicrobial resistance AMR is a pressing global concern that requires attention and creative solutions Young people today will face the consequences of inaction and increased risks of AMR The Quadripartite which consists of the Food and Agriculture Organization of the United Nations FAO the United Nations Environment Programme UNEP the World Health Organization WHO and the World Organisation for Animal Health WOA strongly believes that young people can play an important role in bringing together wider society and stakeholder groups to tackle AMR Young people as agents of change can raise awareness about AMR and advocate for local and global solutions Youth were also identified as one of four priority target audiences during two global consultations on raising awareness about AMR organized in 2022 by the Quadripartite In response the Quadripartite has developed this practical toolkit for engaging youth in AMR based on consultations with young people themselves The aim of this practical toolkit is to equip youth led networks and youth serving organizations with resources to engage young people in AMR communication

education and campaigns for awareness raising advocacy and behaviour change The practical toolkit consists of 11 tools a resource pack and case studies of good practices of youth engagement in the AMR response **Screened In** Eric N.

Peterson,2023-10-15 In an era where screens dominate and digital connection is a lifeline teenagers are uniquely positioned at the crossroads of innovation and vulnerability Screened In delves into the multifaceted realm of online risks and rewards for today s youth This essential guide unpacks why teenagers despite their tech savviness are prime targets for online threats and how they can navigate this landscape safely From the intense battlegrounds of gaming platforms to the high pressure world of social media the book provides actionable advice insights and tools to equip the next generation Whether you re a concerned parent an educator or a teenager striving for a safer digital life Screened In is your compass for navigating the modern digital world Dive in to cultivate an informed approach to cyber safety understand the nuances of online behavior and empower teens to set boundaries and make informed decisions online Adolescent Use of New Media and Internet Technologies

Gordon P. D. Ingram,2023-03-31 This book engages with contemporary and often polarizing debates surrounding the risks of adolescent use of digital media and internet technologies By drawing on multiple research studies the text synthesizes current understandings of the impacts of social network use online gaming pornography and phenomena including cyberbullying cyberstalking and internet addiction to develop recommendations for the effective identification of at risk youth as well as strategies for informed communication about online risks and opportunities It shows how media discussion of risks to children and teenagers from new technology is highly emotive and often exaggerated rooted in the moral panic surrounding new cultural practices that young people engage in but which adults do not understand Online risks are thus conceptualized as centering on three areas specific to adolescence which have undergone radical changes due to new internet technology These include young people s identity the types of content that are accessed and social relationships The author shows how these matters stem from the potential of new technology to establish new interpersonal connections emphasizing how it brings opportunities as much as risks As such he provides a uniquely balanced discussion of potential dangers while also emphasizing the opportunities for social academic and personal growth which new technologies afford young people It will be indispensable for researchers and clinicians interested in assessing levels of online risk as well as scholars and educators with interests in cyberpsychology social psychology cyber culture social aspects of computing and media and adolescent development *Athletic Administration for College, High School, Youth, and Club Sport* Dina
