Behavior Mitchell J. Neubert, Bruno Dyck, 2021-04-06 *Organizational Behavior For a Better Tomorrow 2nd Edition* is a unique blended approach to the subject combining traditional core competencies with contemporary research and innovative practices. The textbook's distinctive dual presentation integrates conventional and sustainable organizational behavior (OB) to help students understand how creativity, collaboration, and ethical decision making can positively impact people, organizations, and entire communities. This fully updated second edition provides a balanced real world approach that strengthens critical thinking skills, enables students to explore the rationale for sustainable OB practices, and illustrates how values and ethics influence business decisions in the real world. Rather than focusing only on the short term bottom line approach of traditional OB, the text discusses a comprehensive range of topics from current trends in popular media and scholarly literature to addressing the current and long term needs and goals of organizational stakeholders.
