The pandemic has forced us into remote working with no clue how to do it without the means, without the preparation needed. The good thing is that it has given us the great opportunity to work from home, which might otherwise have taken years or even decades to arrive. Remote work is the new normal. There is going to be more and more remote employment. It's up to you to adapt to it and to take advantage of all the benefits it holds for your career. Now she works remotely while traveling the world. *Work From Home Mastery* DAVESON. WRIGHT, 2025-05-21
