to the UNECE Region Xiaou Han, 2010 This publication provides insights of China's forest products markets and its importance to the UNECE region. China's forest sector has been developing rapidly in the past decade. It is now the largest manufacturer of forest products in the world. China is an important trading partner for the UNECE region. It imported most of its raw materials from countries in the UNECE region and exported the final products to them. The trade between China and the UNECE region is essential to both of their forest products markets. This publication contains information about China's forest products markets, forest resources, policies and institutions. It provides a socio-economics context. Directories in Print, 2011 Official Export Guide North American Publishing Company, 1996 **Forest Products Annual Market Review 2012-2013**, 2014-05-23 This publication provides general and statistical information on forest products markets and related policies in Europe, North America and the Commonwealth of Independent States. The Review begins with an overview chapter followed by analysis of government and industry policies and market based implements affecting forest products markets. The third chapter is on innovation in the forest sector. Five chapters are based on annual country supplied statistics describing wood raw materials, sawn softwood, sawn hardwood, wood based panels and paper, paperboard and wood pulp. Additional chapters discuss markets for wood energy, value added wood products and housing. In each chapter, production, trade and consumption are analyzed and relevant material on specific markets is included. Tables and graphs provided throughout the text present summary information. Forest Industry Wastewaters, IV Sirpa K. Sandelin, P. J. Vuoriranta, M. A. Viitasaari, 1994 This volume considers water pollution control in the pulp and paper industry.
