Communication Breakdowns Ruth Shade, 2004 Using an examination of theatrical and musical performance in a small Valleys town as a focus this work puts forward an argued discussion of contemporary Welsh theatre in its cultural context The text uses the south Wales valleys as a means of locating and exploring certain key issues those connected to coercive ideas about what ideal theatre is the relationship between politics and performance the conundrum of community theatre the role of theatre practice in marginalized regions and the significance of class to theatre and the problem of a system of arts subsidy which foists inappropriate external theatre product on indigenous audiences **The Arts and Events** Hilary Du Cros, Lee Jolliffe, 2014-05-30 Cultural heritage and contemporary arts benefit from being showcased in events Arts related events are each unique in reflecting local culture they may be therefore spontaneous street art and so on or planned i.e. studio tours or arts festivals The Arts and Events explores the nature and complexity of managing arts events and fills a significant gap in the available literature It investigates the history development and management of arts events to offer much needed insight into creating economic social and cultural capital It therefore contributes to a greater understanding of how arts events can create a beneficial experience for the individual and the community as well as their future sustainable development The title explores a broad range of events from around the globe including inspirational events for building creative social cultural and human capital affirming events for encouraging links to cultural identity or heritage pleasurable events that offer enjoyable recreational leisure and touristic experiences enriching events that create opportunities for personal growth and or to sell products or experiences and finally celebratory events that enhance cultural diversity This significant volume is a valuable source for researchers policy makers and managers of arts events around the globe
