Communion Shapes Character:

Communion Shapes Character Eleanor Kreider, 1997 Is your church boring solemn tradition bound Do you long to see vital communion at the heart of worship With liveliness and depth Eleanor Kreider considers the influence of seating movement symbols leadership style language music prayers and more Renewed communion brings unity to a congregation

Gathering Disciples Myra Blyth, Andy Goodliff, 2017-02-08 This collection of essays by British Baptists honors the work of Christopher Ellis amongst the Baptist community recognizing in particular the contribution he has made to the practice and theology of Free Church worship The book takes a selection of his hymns as a starting point for reflection on areas of worship discipleship the sacraments and theology

Character, Community, and Politics Clarke E. Cochran, 1982-03-30 A classic political philosophy text available again The revival of political philosophy has frequently assumed that a theory of human well being and fulfillment is necessary preoccupied with questions of epistemology and technical conceptual analysis In instances where the nature of the human good is considered the paradigm of autonomous individualism customarily dominates In *Character Community and Politics* Cochran moves away from these prevailing ideas to develop a communal theory of political order helping to redefine a number of fundamental but often neglected ideas Chief among them are commitment community responsibility and character concepts Cochran develops through discussions of authority freedom pluralism and the common good Drawing on a wide variety of fields such as philosophy ethics literature moral theology and sociology the author renews these concepts to outline a theory of human life and political order distinct from sclerotic categories such as conservatism socialism radicalism or Marxism

Under the Rule of Christ Paul S. Fiddes, 2007-08 In this book the Principals of the six Baptist colleges in Great Britain take up a request to write about Baptist spirituality They propose that the spirituality of Baptists in all its diversity is characterized by living under the rule of Christ While all Christian spiritual traditions affirm this truth they suggest that there is a particular sense of being under Christ's rule which has been shaped by the story of Baptists and by their way of being church through the centuries Elaborating the main theme chapters explore various dimensions of spirituality giving attention to God and to others developing spirituality through suffering having spiritual liberty within a community living under the rule of the Word in Christ and scripture integrating the Lord's Supper with the whole of life and engaging in the mission of God from an experience of grace Together the writers present an understanding of prayer and life in which Christ is both the final authority and the measure of all things

Covenant of Peace Willard M. Swartley, 2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley's *Covenant of Peace* remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such

as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message Covenant of Peace confronts readers anew with the compelling New Testament witness to peace Hospitality and Community After Christendom Andrew Francis,2012-09-01 This book aims to show how nurturing hospitality in the discipleship community leads to growth It seeks to re examine the challenge biblically and in radical Christian movements presented by the pre Christendom church in its patterns of hospitality and community to so re work these to be more effective in mission personally and corporately after Christendom The book re examines Jesus intentions the wider biblical material and congregational practices of sharing Communion as well as drawing on radical church history to demonstrate that despite increasing marginalization hospitality and community are essential to the church s nature well being and mission It goes on to use many practical examples as well as leadership strategies to enable congregations to restore hospitality and community to its necessary place It also provides an accessible theology as well as some original liturgies to underpin Christian life as we move forward after Christendom **Mark** Timothy J. Geddert,2001-01-23 Timothy J Geddert views Mark as a profound theologian and accomplished writer not a mere compiler of traditions Mark s text provokes careful reflection on its subtle and challenging message of hope and its call to faithfully follow Jesus on the way Mark s Gospel speaks plainly yet sometimes in riddles of God as revealed in Jesus of Nazareth the Christ the Son of God Mark presents God s reign its present hiddenness and future glory and its surprising way of coming Mark is also about Jesus and his followers crossing barriers to pass God s grace on to those formerly excluded Mark s resurrection message is open ended Readers supply their own ending not just in words but by following their resurrected Lord Includes essays on themes useful for teaching preaching and Bible study bibliographies charts two maps and an index of ancient sources *Addresses on baptism, confirmation and holy communion* Charles Evans Beeby,1902 **The Communion Plate of the Parish Churches in the County of Essex** Edwin Freshfield,1899 Elenchus of Biblica 1997 Robert Althann,2001-12-31 **A commentary ... on the order of the administration of the Lord's supper** Edward Meyrick Goulburn,1875 **Old Scottish Communion Plate** Thomas Burns,James Macgregor,Alexander J.
