Communism In Scandinavia And Finland Politics Of Opportunity Politics:

Communism in Scandinavia and Finland: Politics of Opportunity Anthony F. Upton, Peter Preisler Rohde, 1973

Communism in Scandinavia and Finland Anthony F. Upton, A[nthony] F[rederick]. Upton, 1973 Communism in Scandinavia and Finland Anthony F. Upton, 1973 Problems of Communism, 1976 The Changing Face of Western Communism David Childs, 2015-07-30 This book first published in 1980 provides both a broad review and detailed analysis of the major issues that had been affecting the changing relations between Moscow and the other European Communist parties. In discussing the Spanish, Italian, French, and Scandinavian communist parties, the individual contributors expose the weaknesses as well as the strengths of the parties and analyse the ideological and sociological roots. This title will be of interest to students of politics.

Political Parties of Europe: Albania-Norway Vincent E. McHale, Sharon Skowronski, 1983 *Finnish Communism Under Soviet Totalitarianism* Jukka Paastela, 2003 **The Routledge Handbook of Scandinavian Politics** Peter Nedergaard, Anders Wivel, 2017-08-09 The Routledge Handbook of Scandinavian Politics is a comprehensive overview of Scandinavian politics provided by leading experts in the field and covering the polity, the politics, and the policy of Scandinavia. Coherently structured with a multi-level thematic approach, it explains and details Scandinavian politics today through a series of cutting-edge chapters. It will be a key reference point both for advanced-level students developing knowledge about the subject as well as researchers producing new material in the area and beyond. It brings geographical scope and depth with comparative chapters contributed by experts across the region. Methodologically and theoretically pluralistic, the handbook is in itself a reflection of the field of political science in Scandinavia and the diversity of the issues covered in the volume. The Routledge Handbook of Scandinavian Politics will be an essential reference for scholars, students, researchers, and practitioners interested and working in the fields of Scandinavian politics, European politics, comparative politics, and international relations.

The Finnish Communist Party Matti Hyvärinen, Jukka Paastela, 1985
Political Parties of Europe Vincent E. McHale, Sharon Skowronski, 1983 No other reference work offers such information in such convenient form. Recommended for all libraries. Choice
Finland Max Engman, D. G. Kirby, 1989 **Denmark** Kenneth E. Miller, 1987 1974 Annual Supplement Joan Schmitz Bergholt, 1975-01-04 **Radical Left Parties in Europe** Luke March, 2012-03-12 What has happened to the European radical left after the collapse of the USSR? How has it reacted, reformed, even revived? This new volume is one of the first to provide an overview of the main developments in contemporary European radical left parties, those defining themselves as to the left of and not merely on the left of social democracy, which are now an increasingly visible phenomenon in European party politics. Unlike many of the existing studies, it focuses on communist and non-communist parties, addresses their non-parliamentary and international activity, and takes a pan-European perspective focusing on both Eastern and Western Europe. March focuses on key contemporary left parties, the nature of their radicalism, and their ideological and strategic positions, and overall addresses their current dynamics and

immediate electoral prospects The book argues that radical left parties are still afflicted by existential crises about the nature of socialism and the future of communist parties in particular is under threat The most successful left parties are no longer extremist but present themselves as defending values and policies that social democrats have allegedly abandoned focus on pragmatism rather than ideology and increasingly orientate themselves towards government Providing a significant contribution to existing literature in the field this book will be of interest to students and scholars of comparative politics political parties and radical politics **The American Bibliography of Slavic and East European Studies** ,1974

Western Europe, 1983 Wayne C. Thompson,1983 **Finland** John Ernest Oliver Screen,1981 Updated from the 1981 edition to include works from after Finland joined the European Union in 1995 Cites and briefly describes sources on geography history population religion politics and government economy and finance employment the environment education languages literature arts periodicals and other aspects of the country Also cites children s books encyclopedias and other bibliographies Annotation copyrighted by Book News Inc Portland OR **The Library Journal Book Review** ,1977

Choice ,1974 **Sweden's Search for a Secure Position in the World After the Second World War, 1945 to 1953** Wayne Melvin Anderson,1980
