Communism And Eastern Europe

Mark Beissinger, Stephen Kotkin

Communism And Eastern Europe:

Communism in Eastern Europe Teresa Rakowska-Harmstone,1984 *Rise and Fall of Communism in Eastern Europe* Ben Fowkes,2016-07-27 Communist parties came to power in a variety of ways usually by force often with the acquiescence of people who hoped for a better future Then came the imposition of Stalinism The book examines this and subsequent crises in Hungary Poland and Czechoslovakia **Communist Regimes in Eastern Europe** Richard Felix Staar,1977 **Hopes and Shadows** James F. Brown,1994 After the exuberance that marked the revolutions of 1989 the countries of Eastern Europe have faced the breathtakingly ambitious task of remaking their societies Simultaneously they have sought to build liberal democracies based on market economics while confronting reassertions of claims for national independence long suppressed Taking up where his previous book *Surge to Freedom* ended J F Brown s *Hopes and Shadows* analyzes the results of the first four years of Eastern Europe s separation from communist rule and the prospects for the future The forces at work in the midst of this revolution are examined from a perspective that is necessarily both historical and contemporary as the complex relationship between the tasks that face these countries and the legacy of their communist and pre communist past shape the difficult present As the usefulness of the designation Eastern Europe is itself questioned Brown provides both regional and country by country analysis of the political situation The Czech Republic Slovakia Hungary and Poland are grouped together as are Romania Bulgaria and Albania to address questions such as the development of liberal democratic culture the activation of democratic institutions and procedures and the future of former communist bureaucracies He considers the former Yugoslavia now torn violently apart largely as a separate case The theoretical political social financial cultural and psychological dimensions of the transition from socialism to a market economy are discussed in detail The final aspect of this revolution the failure of which most immediately threatens the entire process is the attempt to build new and stable national statehoods Brown explores the history and impact of the current reemergence of nationalism and the dangers it represents A comprehensive and authoritative survey J F Brown s analysis and presentation of the contemporary Eastern European political landscape will be essential reading for scholars and specialists and of great interest to general readers

Communism in Eastern Europe Melissa Feinberg,2021-12-29 Communism in Eastern Europe is a ground breaking new survey of the history of Eastern Europe since 1945 It examines how Communist governments came to Eastern Europe how they changed their societies and the legacies that persisted after their fall Written from the perspective of the 21st century this book shows how Eastern Europe s trajectory since 1989 fits into the longer history of its Communist past Rather than focusing on high politics Communism in Eastern Europe concentrates on the politics of daily life melding political history with social cultural and gender history It tells the history of this complicated era through the voices and experiences of ordinary people By focusing on the complex interactions of everyday life Communism in Eastern Europe illuminates the world Communism made in Eastern Europe its politics and culture values and dreams successes and failures This book is an

engaging introduction to the history of Communist Eastern Europe for any reader It is ideal for adoption in a wide array of undergraduate and graduate courses in 20th century European history

The Legacies of Communism in Eastern Europe Zoltan D. Barany, Iván Völgyes, 1995 The political scientists Zoltan Barany and Ivan Volgyes bring together a distinguished group of contributors to examine the legacies of communism in Eastern Europe The authors identify what is distinctive and lasting about the influence of the Communist period and the extent to which this Communist experience may have left unsolvable problems The volume pays special attention to the impact of the Communist legacies on four areas politics society the economy and the environment Contributors are Zoltan Barany Ivan Volgyes Thomas A Baylis Elez Biberaj Jane L Curry Barbara Jancar Webster Andrzej Korbonski Bennett Kovrig Daniel N Nelson Robin Alison Remington Luan Troxel and Sharon L Wolchik

Challenging Communism in Eastern Europe Terry Cox, 2013-09-13 Marking the 50th anniversary of events in 1956 that were a major turning point in the history of communist ruled Eastern Europe this book contains a selection of some of the most recent research on those momentous events and their memory and legacy The book contains edited contributions from historians and social scientists from Hungary Poland the UK and the USA Their contributions are the fruit of research which has only been possible since 1989 In the years since the fall of the communist regimes the state archives have been opened to researchers and it has been possible to collect the testimony of eye witnesses without fear of repression and censorship The outcome of 1956 led to Poland embarking on its own distinctive version of communist rule Meanwhile 1956 in Hungary saw the first society wide attempt to overthrow a ruling communist regime only to be put down by Soviet military intervention In both countries the events of 1956 had lasting repercussions for society and its relationship with the communist regime In retrospect they can be seen as paving the way for the eventual fall of the communist regimes in East Central Europe in 1989

Surge to Freedom James F. Brown, 1991 In praise of Surge to Freedom The End of Communist Rule in Eastern Europe Nobody has yet produced a more perceptive and inclusive work on the events of what is arguably the most important year of our lifetimes This book is essential for anyone with an interest in Eastern Europe radical social change or post bipolar global politics Joel M Jenswold Social Science Quarterly Brown has been a close observer of the region for decades and the breadth of his knowledge and the acuity of his judgments are evident throughout Michael Bernhard Political Science Quarterly There is no surer guide than Brown to an understanding of these events and no one better qualified to describe the complex and daunting problems facing the new non communist governments John C Campbell Foreign Affairs

Eastern Europe and Communist Rule James F. Brown, 1988

Dynamics of Communism in Eastern Europe Richard Voyles Burks, 2015-12-08 Who are the people comprising the Communist movement in Eastern Europe What is their motivation in joining the party In a comparative analysis of the eight East European Communist parties Polish Czech Magyar Romanian Bulgarian Yugoslav Greek and Albanian R V Burks offers precise knowledge about Communism s adherents The author conducted interviews with repentant Communists held in Greek prisons with exiled members of the

anti Communist opposition and with active members of the party he also made a critical analysis of election returns and of original sources in a dozen languages The result is a wealth of specific information on the participants age sex education professional training social class and ethnic origin Basing his comparisons and conclusions on this data Mr Burks is able to point to some interesting discoveries social class at least as Marxism conceives of it is hardly a factor in drawing these people to Communism and the industrial worker is not the backbone of the movement Instead the effects of cross cultural education shifting world prices and what might be called ethnic politics have directed these people to Communism Mr Burks has provided a close analysis of the anatomy of Communism in a crucial part of the world Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Russia And Eastern Europe After Communism** Michael Kraus, Ronald D.

Liebowitz, 1996-05-23 Examining the key challenges confronting Russia and Eastern Europe this multidisciplinary volume considers the constitutional political economic security and national identity issues facing these post communist societies Drawing upon both theory and case studies informed by newly available primary sources leading U S and Russian specialists provide a comprehensive balance sheet of the achievements and costs of the ongoing economic and political transformation They also examine the prospects for a thriving civil society and for the region s integration into European and global economic and security institutions Revolution In Eastcentral Europe David S Mason, 2019-06-26 The year 1989 marked a turning point in world history a watershed year of unprecedented drama and political significance No matter how one looks at those events as the fall of communism the democratization of Eastern Europe or the end of the cold war it is important to understand how the world travelled the distance of time space and ideology to arrive at the Berlin Wall and tear it down David Mason provides that understanding in a concise synthesis of history politics economics sociology literature philosophy and popular as well as traditional culture He shows how all these elements combined to yield the year that effectively closed the twentieth century and promised to launch the new century on a hopeful note Starting with Poland s elections in June 1989 the countries of then communist Eastern Europe one by one revolutionized their governments and their polities Hungary opened its borders to the West East Germany rushed through Czechoslovakia elected Vaclav Havel president Bulgaria changed both party and leadership and Romania executed Ceausescu Although Gorbachev enabled many of these changes he did not cause them The illumination of the complex symbiosis between dynamics in Eastern Europe and the Soviet Union is one of the greatest contributions this book makes With undercurrents emphasizing the power of ideas the spirit of youth and the multifaceted force of culture and ethnicity Mason takes the reader far beyond the events of change

and into their impetus and outcomes He applies theories of social movements democratization and economic transition with an even hand showing the interaction of their effects not only regionally but worldwide The concluding chapter puts the revolutions in Eastern Europe into international perspective and highlights their impact on East West relations security alliances and economic integration Mason discusses the European Community the United States and the Soviet Union and the Third World in relation to the new East Central European configuration Using delightful and provocative cartoons from Eastern European and Soviet presses interesting photos valuable tables of data and illuminating figures Mason emphasizes important points about the role of nationalism ethnicity public opinion and harsh economic reality in the revolutionary process

The Rise and Fall of Communism in Eastern Europe Ben Fowkes,1993 The Establishment Of Communist Regimes In Eastern Europe, 1944-1949 Norman Naimark,2018-02-07 The collaborative effort of scholars from Russia and the United States this book reevaluates the history of postwar Eastern Europe from 1944 to 1949 incorporating information gleaned from newly opened archives in Eastern Europe For nearly five decades the countries of Yugoslavia Poland Albania Bulgaria Romania Hungary Czechoslovakia and the Soviet zone of Germany were forced to live behind the iron curtain Though their experiences under communism differed in sometimes fundamental ways and lasted no longer than a single generation these nations were characterized by systematic assaults on individual rights and social institutions that profoundly shaped the character of Eastern Europe today The emergence of the former People s Democracies from behind the iron curtain has been a wrenching process but as this book demonstrates the beginning of the communist era was equally as traumatic as its end With the opening of the archives in Russia and Eastern Europe the contributors have been able to get a much firmer grasp on Soviet policies in the region and on East European responses and initiatives which in turn has yielded more satisfying answers to vexing questions about Soviet intentions in the region and the origins of the Cold War Exploring these events from a new better informed perspective the contributors have made a valuable contribution to the historiography of postwar Europe

American Policy Toward Communist Eastern Europe John C. Campbell,1965-06-10 American Policy Toward Communist Eastern Europe was first published in 1965 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Perhaps no aspect of American foreign relations has been in greater need of clarification and understanding than our policy toward the Communist nations of Eastern Europe both as to what has happened in the past and what is possible for the future In this book a former State Department Official now on the staff of the Council on Foreign Relations provides objective information which will help students professors members of adult study groups and others concerned with American foreign policy to understand and discuss this important subject Mr Campbell reminds us that the cold war began in Eastern Europe in the aftermath of the second World War Since that time the question of what to do about Eastern Europe has been in the forefront of American foreign policy For some years he contends we have been uncertain of

our objectives and ambivalent in our policies Meanwhile changes since the death of Stalin have created new situations both for the Soviet Union and for the West In analyzing what has happened the author emphasizes the forces which have shaken the unity of the Soviet bloc to create new perspectives and possibilities He discusses the effects of the Soviet Chinese split the relationship of the German question to that of Eastern Europe and the phenomenon of national Communism as it has appeared in different forms in Yugoslavia Poland Rumania and elsewhere After presenting the historical background the author discusses American aims and current policies and outlines the choices he sees ahead He does not plead for any one of the alternative lines of action presenting them rather as a basis for reasoned consideration and debate **The ^AWalls**

Came Tumbling Down Gale Stokes,1993-10-07 Gale Stokes The Walls Came Tumbling Down has been one of the standard interpretations of the East European revolutions of 1989 for many years It offers a sweeping yet vivid narrative of the two decades of developments that led from the Prague Spring of 1968 to the collapse of communism in 1989 Highlights of that narrative include among other things discussions of Solidarity and civil society in Poland Charter 77 and the Velvet Revolution in Czechoslovakia and the bizarre regime of Romania s Nikolae Ceausescu and his violent downfall In this second edition now appropriately subtitled Collapse and Rebirth in Eastern Europe Stokes not only has revised these portions of the book in the light of recent scholarship but has added three new chapters covering the post communist period including analyses of the unification of Germany and the collapse of the Soviet Union narratives of the admission of many of the countries of the region to the European Union and discussion of the unfortunate outcomes of the Wars of Yugoslav Succession in the Western Balkans **Historical Legacies of Communism in Russia and Eastern Europe** Mark

Beissinger,Stephen Kotkin,2014-07-07 This book takes stock of arguments about the historical legacies of communism that have become common within the study of Russia and East Europe more than two decades after communism s demise and elaborates an empirical approach to the study of historical legacies revolving around relationships and mechanisms rather than correlation and outward similarities Eleven essays by a distinguished group of scholars assess whether post communist developments in specific areas continue to be shaped by the experience of communism or alternatively by fundamental divergences produced before or after communism Chapters deal with the variable impact of the communist experience on post communist societies in such areas as regime trajectories and democratic political values patterns of regional and sectoral economic development property ownership within the energy sector the functioning of the executive branch of government the police and courts the relationship of religion to the state government language policies and informal relationships and practices **Communism Unwrapped** Paulina Bren,Mary Neuburger,2012-09-06 Communism

Unwrapped reveals the complex world of consumption in Cold War Eastern Europe exploring the ways people shopped ate drank smoked cooked acquired assessed and exchanged goods **The Dynamics of Communism in Eastern Europe** Richard Voyles Burks,1966-05-21 The Description for this book Dynamics of Communism in Eastern Europe will be forthcoming

The Break-up of Communism in East Germany and Eastern Europe Feiwel Kupferberg, 2016-07-27 This book presents a novel understanding of the break up of communist hegemony in East Germany and Eastern Europe Based on comparative case studies it argues that identity politics is a particular invention of communist rule producing a political citizen Focusing upon identity politics helps us better to understand the longterm stability of communist hegemony its sudden collapse the difficulties of transforming communist societies to liberal democracies and the unexpected revival of ethnic nationalist and cultural conflicts in post communist Eastern Europe

Communism And Eastern Europe Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Communism And Eastern Europe PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning.

By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Communism And Eastern Europe PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Communism And Eastern Europe free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Communism And Eastern Europe Books

1. Where can I buy Communism And Eastern Europe books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
