Paul Lewis

Communism Studies In Contemporary Politics:

Current Research in Comparative Communism Lawrence L. Whetten, 1976 **Institutional Legacies of Communism**
Karl Cordell, Timofey Agarin, Alexander Osipov, 2013-07-03 Twenty years after the demise of communist policy this book evaluates the continuing communist legacies in the current minority protection systems and legislations across a number of states in post communist Europe The fall of communism and the process of democratisation across post communist Europe led to considerable change in minority protection with new systems and national political institutions either developed or copied In general the new institutions reflected the practices and experiences of western European states and were installed upon advice from European security organisations Yet many ideas legislative frameworks policies and practices remained open to interpretation on the ground With case studies on a diverse set of post communist polities including Slovakia Bosnia Macedonia Ukraine Estonia Croatia the Baltic States and Russia expert contributors consider how the institutional legacies of the communist past impact on policies designed to support minority communities in the new European democracies Providing unique empirical material and comparative analyses of ethnocultural diversity management during and after communism this book will be of interest to students and scholars of international relations European politics political geography post communism ethnic politics nationalism and national identity

Historical Legacies of Communism
Alexander Libman, Anastassia V. Obydenkova, 2021-01-21 Libman and Obydenkova reveal how legacies of the Communist Party of the Soviet Union CPSU have survived in the politics economic development culture and society of post Communist regions in the 21st Century The authors show how this impact is not driven by Communist ideology but by the clientelistic practices opportunism and cynicism prevalent in the CPSU Their study is built on a novel dataset of the CPSU membership rates in Russian regions in the 1950s 1980s alongside case studies interviews and an analysis of mass media previously only available in Russian and discussed here in English for the first time It will appeal to students and scholars of Russian and Eastern European politics and history and anyone who wants to better understand countries which live or have lived through Communism from Eastern Europe to China and East Asian Communist states

The Communist Party in Post-Soviet Russia
Luke March, 2002 This pioneering analysis uses the results from the first ever Irish election study to provide a comprehensive survey of the motives outlook and behaviour of voters in the Republic of Ireland Building on the foundations laid down by previous work on comparative electoral behaviour it explores long term influences on vote choice such as party loyalties and enduring values as well as short term ones such as the economy the party leaders and the candidates themselves It also examines how people use their vote and why so many people do not vote at all Many features of Irish elections make such a detailed study particularly important The single transferable vote system allows voters an unusual degree of freedom to pick the candidates they prefer while electoral trends observed elsewhere can be found in a more extreme form in Ireland For example attachment to parties is very low differences between them are often obscure candidate profiles are very high and

turnout is falling rapidly However Irish elections defy international trends in other respects most notably in the degree of personal contact parties and candidates make with their voters Findings are presented in a manner that is highly accessible to anyone with an interest in elections electoral systems and electoral behaviour The book is essential reading for anyone interested in Irish politics and is an important text for students of European Politics Parties and Elections Comparative Politics and Political Sociology **Post-communist Studies And Political Science** Jr. Fleron,Erik P Hoffmann,2019-08-15

Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self-destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism *European Integration and the Communist Dilemma* Giorgos Charalambous,2016-07-22

European Integration and the Communist Dilemma assesses the response of communist parties to European integration using three contrasting and comparatively significant case studies from Greece Cyprus and Italy These parties in common with other radical parties in Europe face a continuing strategic dilemma with regard to Europe through which larger questions about communist ideology and identity can be illuminated Exploring the tendency of communist parties to face a trade off between domestic legitimacy and electoral concerns and their nature as parties professing opposition to the systemic currents of capitalism and European integration the author provides a fascinating study of the nuances in deciding whether to adopt ideological consistency or undergo moderation Blending advances in party politics communist history and Europeanization research the book devises a framework that overcomes the deficiencies of uni-dimensional approaches to the study of parties and Europe In this manner wider insights on the national party politics of European integration are drawn Political Parties in Post-Communist Eastern Europe Paul Lewis,2002-01-04

Political Parties in Post Communist Eastern Europe is the first textbook to survey the course of party developments in eastern Europe as a whole in the post Communist period This book relates the specifics of the post communist situation to the broader picture of the early stages of party development in western Europe and also to contemporary models of party organisation in established democracies The book includes a brief historical introduction to the context of post communist change the process of competitive party formation and democratic elections the development of independent parties their ideologies and electoral volatility the structure and level of organisation developed by new parties an analysis of stable party systems which have emerged in eastern Europe and the contribution they make to emerging democracies in the region *Party Politics in Post*

Communist Eastern Europe will be a comprehensive and invaluable resource accessible to undergraduates of politics and European studies as well as the non specialist reader *Handbook of U.S. Environmental Policy* David

M.Konisky,2020-04-24 A comprehensive analysis of diverse areas of scholarly research on U S environmental policy and politics this Handbook looks at the key ideas theoretical frameworks empirical findings and methodological approaches to the topic Leading environmental policy scholars emphasize areas of emerging research and opportunities for future enquiry

Communism James D. Forman,1972 Surveys the history of communism examines the emergence and implications of Eurocommunism and considers the impact of communism on Third World politics **Contemporary Political Culture** John R Gibbins,1989-08 The dramatic changes in contemporary European politics associated with the rise of the New Right has created a new political culture which is the subject of this fascinating and informative book Contemporary Political Culture pioneers the application of the theory of postmodernism to Western political behaviour and political science Underpinning the book is the observation that fundamental long term changes in the contours of European political culture explain the rise of the new politics and recent political events The authors offer a critical analysis of traditional theories models and accounts of political culture and an evaluation of the two contending contemporary explanatory models postmodernism and po

Communism's Shadow Grigore Pop-Eleches,Joshua A. Tucker,2017-05-09 It has long been assumed that the historical legacy of Soviet Communism would have an important effect on post communist states However prior research has focused primarily on the institutional legacy of communism Communism s Shadow instead turns the focus to the individuals who inhabit post communist countries presenting a rigorous assessment of the legacy of communism on political attitudes Post communist citizens hold political economic and social opinions that consistently differ from individuals in other countries Grigore Pop Eleches and Joshua Tucker introduce two distinct frameworks to explain these differences the first of which focuses on the effects of living in a post communist country and the second on living through communism Drawing on large scale research encompassing post communist states and other countries around the globe the authors demonstrate that living through communism has a clear consistent influence on why citizens in post communist countries are on average less supportive of democracy and markets and more supportive of state provided social welfare The longer citizens have lived through communism especially as adults the greater their support for beliefs associated with communist ideology the one exception being opinions regarding gender equality A thorough and nuanced examination of communist legacies lasting influence on public opinion Communism s Shadow highlights the ways in which political beliefs can outlast institutional regimes **Communist Systems in Comparative Perspective** Lenard J. Cohen,Jane P. Shapiro,1974 Monographic Series Library of Congress,

Australian Journal of Political Science ,1970 **Communist Politics in North Korea** Ilpyong J. Kim,1975 From the John Holmes Library collection Research Report, Publication List Massachusetts Institute of Technology. Center for International Studies,1966 Political Science Abstracts ,1997 *Chinese Communist Politics in*

Action Joint Committee on Contemporary China, 1969 These pioneering studies representative of the best research now being done on China by a new generation of young scholars focus on particular aspects of the Chinese Communist political system and the course of its development By analyzing the characteristics of the system at the subnational level as it affects local areas and particular groups they attempt to provide new insights into the nature of the system as a whole At the same time they move toward more effectively integrating China studies into the mainstream of political science

The Soviet Political System Richard Cornell, 1970 **Political Culture, Public Policy, and the American States** John Kincaid, 1982

Communism Studies In Contemporary Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Communism Studies In Contemporary Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Communism Studies In Contemporary Politics has opened up a world of possibilities. Downloading Communism Studies In Contemporary Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Communism Studies In Contemporary Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Communism Studies In Contemporary Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Communism Studies In Contemporary Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Communism Studies In Contemporary Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Communism Studies In Contemporary Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Communism Studies In Contemporary Politics Books

1. Where can I buy Communism Studies In Contemporary Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Communism Studies In Contemporary Politics book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
