

The Communitarian Constitution

Beau Breslin

Communitarian Constitution

Laurence R. Veysey

Communitarian Constitution:

The Communitarian Constitution Beau Breslin, 2006-09-21 Bowling Alone the title of Robert Putnam's 1995 article later a bestselling book perfectly captured a sense of national unease Somewhere along the way America had become a nation divided by apathy and the bonds that held together civil society were disappearing But while the phrase resonated with our growing sense of atomization it didn't describe a new phenomenon The fear that isolation has eroded our social bonds had simmered for at least two decades when communitarianism first emerged as a cogent political philosophy Communitarianism as explained in the works of Michael Sandel Alasdair MacIntyre Amitai Etzioni and others elevates the idea of communal good over the rights of individuals Throughout the 1980s and 1990s communitarianism gained popular and political ground The Clintons touted its principles in the 90s and the two presidents Bush make frequent references to its central tenets In its short life the philosophy has generated plenty of books both pro and con Beau Breslin's authoritative and original examination *The Communitarian Constitution* contributes to the debate from a wholly original standpoint Existing critiques focus on the debate between liberalism and communitarianism in other words the conflict between individual rights and the communal good Breslin takes an entirely different stance examining the pragmatic question of whether or not communitarian policies are truly practicable in a constitutional society In tackling this question Breslin traces the evolution of American communitarianism He examines Lincoln's unconstitutional Civil War suspension of habeas corpus and draws on Federalist and Anti Federalist arguments pegging the Anti Federalists as communitarians intellectual forebearers He also grounds his arguments in the real world examining the constitutions of Germany and Israel which offer further insight into the relationship between constitutionalism and communitarianism At a moment when American politicians and citizenry are struggling to balance competing needs such as civil rights and homeland security *The Communitarian Constitution* is vital reading for anyone interested in the evolving tensions between individual rights and the good of the community **The**

Communitarian Constitution Beau Breslin, 2004-04-23 A specialist in constitutional law and civil liberties Breslin Skidmore College first sets out the 1861 case in which Lincoln suspended habeas corpus on the basis of national security and the US Supreme Court determined that the president has no such constitutional authority Then he uses it to explain the tension between communitarians who believe in *Constitutional Goods* Alan Brudner, 2004-09-02 This book aims to distill the essentials of liberal constitutionalism from the jurisprudence and practice of contemporary liberal democratic states It argues that the model liberal democratic constitution is best understood as a unity of three constitutional frameworks libertarian egalitarian and communitarian When viewed in this light the liberal constitution embodies a surprising synthesis It reconciles a commitment to individual liberty and freedom of conscience with the perfectionist idea that the state ought to cultivate a type of personality whose fundamental ends are the goods essential to dignity **The New Communitarians and the Crisis of**

Modern Liberalism Bruce Frohnen, 1996 Profound scholarly learned carefully reasoned and though of enduring value timely

Forrest McDonald author of *The American Presidency* A provocative book that does much to save us from the hubris of intellectuals John Patrick Diggins author of *The Lost Soul of American Politics*

Communitarianism Vs. Individualism

Adrien Katherine Wing,1994 *Communitarianism in Law and Society* Paul Van Seters,2006-04-18 In this new collection of essays Paul van Seters brings together an international group of scholars from diverse academic backgrounds to reflect upon the remarkable rise of communitarianism in contemporary studies of law and society Taking account of the intricate relationship between law and communitarianism these essays critically assess the communitarian perspective in order to gain a more systematic insight into its distinctive constraints and the special opportunities it provides At its core this work contends that law necessarily presupposes community but also essentially extends it Arguing that communitarianism must be understood as an effort to reconstruct liberalism and not just debunk it *Communitarianism in Law and Society* explores what good is to come of this movement for legal theory and practice

Decisions on Democracy Per Strand,2000

Ireland's Evolving Constitution Tim Murphy,Patrick Twomey,1998-05-19 To mark the sixtieth anniversary of the Constitution of the Republic of Ireland this important collection of essays includes a wide range of contributions on the most significant aspects of Irish constitutional law and jurisprudence In addition to political and legal commentators leading academics in the fields of philosophy history and political geography assess the history and future of the Constitution from the perspectives of their particular disciplines The resulting blend of arguments offers a serious and sometimes controversial set of insights into the changing role of the constitution in light of social and political change in Ireland over the past 60 years The overall result is a detailed contextual analysis of Ireland's basic law aimed at a readership interested in the Irish Constitution and constitutional matters generally

The Supreme Court and Constitutional Theory, 1953-1993 Ronald Kahn,1994 Combining theoretical sophistication with a fundamental comprehension of the political institutions of the USA this study aims to demystify the workings of the United States Supreme Court and its place in democracy

Communitarian Journalism Ralph Barney,Jay Black,1996 One of the sharpest recent debates over media ethics has centered around what has been variously called public or civic or communitarian journalism This special issue examines some of the underlying concerns of communitarian journalism including the relationships between individual and community and the connecting role of journalism negative vs positive freedoms constitutional vs marketplace mandates universal vs situational professional values individual vs corporate vs democratic loyalties commitment and compassion vs detachment and professional distance and talking to vs talking with Authors of these essays include some of the best known practitioners and critics of contemporary journalism They wrote these papers as part of a 2 year lecture series funded by the Ethics and Excellence in Journalism Foundation and hosted by the University of South Florida St Petersburg

Review of Constitutional Studies,2002

Constitutional Policy and Change in Europe Joachim Jens Hesse,Nevil Johnson,1995 During recent years constitutional issues have claimed increasing attention in many European countries The social and political transformations

in Central and Eastern Europe have thrust constitutional debates to the fore This book looks at the needs and claims of constitutional adaption and reconstruction in contemporary Europe The range and complexity of the constitutional challenge in Europe which differs markedly from one country to another is fully explored The contributions to this book illustrate certain aspects of this challenge as it is perceived in various European countries and of the different responses to it The problems discussed are approached from the constitutional legal aspects in others from those of political science The different tasks facing Western and East and Central Europe are considered in some detail In Western Europe constitutional debate has assumed greater prominence on account of closer economic and political integration within the European Community and internal changes within particular countries In the East far reaching constitutional reconstruction has been an imperative a task which has had to be tackled in the difficult and uncertain conditions of radical social and economic transformation The book also address some of the issues of political theory presented by the notion of liberal constitutionalism itself and throws light on the direction of future change

Constitutional Law Mark V. Tushnet,1992

This collection of articles on constitutional law covers topics such as progressive and conservative constitutionalism theories of constitutional interpretation and structures of government in constitutional law

The Perfectionists: Radical Social Thought in the North, 1815-1860 Laurence R. Veysey,1973

The Constitution of the People Robert E. Calvert,1991

Lectures at a spring 1987 symposium held at DePauw University with the theme the meaning of membership in a constitutional order requiring

The Legal Rights of Citizens with Mental Retardation Lawrence A. Kane,Phyllis Brown,Julius S. Cohen,1988-10-20

This book is the formal presentation of the issues discussed at the Second National Conference on the Legal Rights of Citizens with Mental Retardation A relationship between the community and its citizens with mental retardation is discussed extensively in the first section of the book Other sections of the book are devoted to key litigation and legislation for the rights of citizens with mental retardation law as it pertains to newborns with severe handicaps advances in education and rehabilitation and future strategies for advocacy A few of the noted contributors include Carl R Halpern Dean of the CUNY Law School Professor Robert A Burt of Yale University and Professor Robert H Mnookin of Stanford University This book is designed as a basic reference for advocates and others concerned with the mentally retarded
