Categorically Jewish, Distinctly Polish Moshe Rosman, 2022-03-16 Moshe Rosman's revolutionary approach has become a cornerstone of Polish Jewish historiography Challenging conventions he asserts that the marriage of convenience between the Jews and the Polish Lithuanian Commonwealth was a dynamic relationship that though punctuated by crisis and persecution developed into a saga of overall achievement and stability With that fundamental message this book forges a thematic survey of Jewish history in early modern Poland These essays written by Rosman over the course of a distinguished career have all been updated and enhanced with new detail and nuanced arguments taking account not only of new archival material and research but also of the ongoing evolution of the author's own knowledge and perspectives Some appear here in English for the first time The volume's structure highlights key topics for understanding the Polish Jewish past relations between Jews and other Poles Jewish communal life Polish Jewish women and hasidism One section analyses how this past has been presented in both scholarly and popular modes The essays are crafted to place them in dialogue with each other Analytical introductions weigh their significance in the light of modern and postmodern Jewish and Polish historiography An extensive general introduction sets the context of the history portrayed here while a thoughtful conclusion elucidates the larger motifs that emerge Wrestling with God Steven T. Biderman, Gershon Greenberg, 2007-01-04 This volume presents a wide ranging selection of Jewish theological responses to the Holocaust It will be the most complete anthology of its sort bringing together for the first time 1 a large sample of ultra orthodox writings translated from the Hebrew and Yiddish 2 a substantial selection of essays by Israeli authors also translated from the Hebrew 3 a broad sampling of works written in English by American and European authors These diverse selections represent virtually every significant theological position that has been articulated by a Jewish thinker in response to the Holocaust Included are rarely studied responses that were written while the Holocaust was happening From Ideology to Liturgy Eric Caplan, 2002-12-31 This study examines Reconstructionism's interpretation and adaptation of the traditional Jewish liturgy and creation of new prayer texts to convey and express its changing ideology All facets of the

movement's liturgical materials are analysed including translations rubrics and layout The Jews in a Polish Private Town Gershon David Hundert, 2019-12-01 Winner of the Montreal Jewish Public Library's J I Segal Prize Originally published in 1991 In the eighteenth century more than half of the world's Jewish population lived in Polish private villages and towns owned by magnate aristocrats Furthermore roughly half of Poland's entire urban population was Jewish Thus the study of Jews in private Polish towns is central to both Jewish history and to the history of Poland Lithuania The Jews in a Polish Private Town seeks to investigate the social economic and political history of Jews in Opatów a private Polish town in the context of an increasing power and influence of private towns at the expense of the Polish crown and gentry in the eighteenth century Hundert recovers an important community from historical obscurity by providing a balanced perspective on the Jewish experience in the Polish Commonwealth and by describing the special dimensions of Jewish life in a private town

Brym, William Shaffir, 1993 This work contains much of the best new research on Canadian Jewish society politics and history by leading scholars in these areas By examining the achievement of the community and the challenges it faces this clarifies not only the evolution of Jewish people but the evolution of ethnicity in Canadian society The authors compare and contrast modern Canadian Jewry with their own past and their counterparts in the United States They explore the sources for similarities and differences The book also studies the sources and dimensions of the challenges that the Canadian Jewish community faces in attempt to survive the exigencies of modern life Jew Or Juif? Jews, French Canadians, and Anglo-Canadians, 1759-1914 Michael G. Brown, 1987 Examines the ambiguous status of the Jews in Canada caught between competing English and French Canadian interests Their strong ties with Britain and the USA and the British heritage of tolerance and pluralism led the Jews to identify with English speaking North Americans Ch 4 pp 119 161 The French and Roman Catholic Relationship describes French Canadian hostility toward Jews seen as a threat to their homogeneous culture and religious heritage and encouraged by the Catholic Church and the French antisemitic movement Antisemitism was frequently expressed in the French Canadian press and in literary works especially issues such as the Dreyfus Affair and the Nathan Affair criticism of the Pope by the Jewish mayor of Rome However antisemitism did exist in Anglo Canada as well especially after the mass immigration of Jews American Jewish Year Book , 1988 The Library owns the volumes of the American Jewish Yearbook from 1899 current **Sociological Abstracts** Leo P. Plaut,1997 This is a book of doings and musings rather than a detailed analysis of events Plaut considers how the events and issues he was involved with forced him to confront and reassess his life s work his religious institutional and political commitments To understand this process the reader is invited to consider something of the private man behind the events It is this effort to reveal himself as a person rather than as an actor in history that gives added meaning to his reminiscences
