Community And Unity:

A Handbook of the Community Church Movement in the United States David Roy Piper,1922 *The Johannine Gospel's Concept of Community* Godibert Kelly Gharbin,2025-05-27 The Johannine Gospel's Concept of Community takes an interdisciplinary approach to contextualizing the New Testament in an African milieu which helps Johannine scholarship intersect with Akan anthropology and sociology through a tripartite frame of interpretation a narratological analysis of community oriented narratives in John the exegesis of the Akan concept of community encapsulated in their proverbial lore the anthology of inestimable information about the Akan conceptualization of communitarianism and an engagement between the two conceptual schemes through an intercultural reading The methodological principles utilized foster a cross pollination of ideas between the Johannine characterization of a community of God and the community concept present in Akan maxims This allows the Akan concept of communitarianism to enrich the reader's understanding of the text It also allows John's theology of community revealed in what Jesus epitomizes prescribes and proscribes for the believing community to serve as a form of discernible evaluation for Akan and other believers on the modus vivendi redolent of a believing community In the end it forces a redefinition of community replacing the anthropocentric individualistic and acquisitive elements that have typified the human community with a theocentric and authentically collectivist approach **The Beautiful Community** Irwyn L. Ince,2020-08-04 The church is at its best when it pursues the biblical value of unity in diversity Pastor and theologian Irwyn Ince boldly unpacks the reasons for our divisions while gently guiding us toward our true hope for wholeness and reconciliation To heal our fractured humanity we must cultivate spiritual practices that help us pursue beautiful community **Readings in Urban Sociology** Scott Elias William Bedford,1927 Community Pulpit ,1897 Contains text of Community Church sermons and addresses Community Churches, the Community Church Movement David Roy Piper,1928 **The Urban Community** American Sociological Society,1926 *Studies in Hegelian Cosmology* John McTaggart Ellis McTaggart,1901 **Come Unity; Community** James Walton,2018-04-14 You are enough to heal this nation It takes you and your neighbors When was the last time you had a serious conversation with someone from your community That's the problem While most of us are searching for answers in the highest levels of government I am here to tell you that they are all hiding in your neighborhood You just need to know how to bring them out In Come Unity Community you will learn how to engage your neighbors and get started on a path towards uniting America You will learn to address problems as a community and begin to understand your true power and purpose Of course this will take effort and work on your end I warn you once you read this book there is no going back Once you understand your power its up to you to use it **Making a Place for the Future in Maya Guatemala** John P. Hawkins,Walter Randolph Adams,2024-10-15 In 1998 Hurricane Mitch pounded the isolated village of Santa Catarina Ixtahuac n in mountainous western Guatemala destroying many homes The experience traumatized many Ixtahuacuenses Much of the community relocated to be safer and closer to

transportation that they hoped would help them to improve their lives acquire more schooling and find supportive jobs This study followed the two resulting communities over the next quarter century as they reconceived and renegotiated their place in Guatemalan society and the world Making a Place for the Future in Maya Guatemala shows how humans continuously evaluate and rework the efficacy of their cultural heritage This process helps explain the inevitability and speed of culture change in the face of natural disasters and our ongoing climate crisis
