Community In The Andes Muquiyauyo:

A Community in the Andes Richard Newbold Adams, 1959 **A Community in the Andes: Problems and Progress in Muquiyauyo** Richard N. Adams, 2008-08-01 **A Community in the Andes** N.J. and Washington Conference on Comparative Economic Growth and Structure (1958 : Princeton (D.C.)), 1959 **Peasant Cooperation and Capitalist Expansion in Central Peru** Norman Long, Bryan R. Roberts, 2014-11-06 This book brings together the research into regional development and social change carried out in highland Peru by a team of British and Latin American social anthropologists and sociologists The area studied the Mantaro Valley of central Peru is one of the most densely populated and economically differentiated of highland zones it is also notable for its community based forms of cooperation and its high level of peasant political activity The book presents a series of case studies that examine cooperative forms of organization in relation to developments in the regional economy and to changes in national policy The analysis attempts to avoid interpreting local processes merely as responses to externally initiated change It stresses instead the need to consider the interplay of local and national forces because local groups and processes themselves affect the pattern of regional and national development The case studies cover a range of political and economic topics from peasant movements to the achievements and shortcomings of government sponsored agricultural and manufacturing cooperatives The concluding chapter by the editors explores the theoretical implications of these studies Peasant and Nation Florencia E. Mallon, 2023-11-15 *Peasant and Nation* offers a major new statement on the making of national politics Comparing the popular political cultures and discourses of postcolonial Mexico and Peru Florencia Mallon provides a groundbreaking analysis of their effect on the evolution of these nation states As political history from a variety of subaltern perspectives the book takes seriously the history of peasant thought and action and the complexity of community politics It reveals the hierarchy and the heroism the solidarity and the surveillance the exploitation and the reciprocity that coexist in popular political struggle With this book Mallon not only forges a new path for Latin American history but challenges the very concept of nationalism Placing it squarely within the struggles for power between colonized and colonizing peoples she argues that nationalism must be seen not as an integrated ideology that puts the interest of the nation above all other loyalties but as a project for collective identity over which many political groups and coalitions have struggled Ambitious and bold *Peasant and Nation* both draws on monumental archival research in two countries and enters into spirited dialogue with the literatures of post colonial studies gender studies and peasant studies *Peasant and Nation* offers a major new statement on the making of national politics Comparing the popular political cultures and discourses of postcolonial Mexico and Peru Florencia Mallon provides a groundbreaking analysis of their effect on the **Workers' Control in Latin America, 1930-1979** Jonathan C. Brown, 2000-11-09 The years between 1930 and 1979 witnessed a period of intense labor activity in Latin America as workers participated in strikes unionization efforts and populist and revolutionary movements The ten original essays MDNM in this

volume examine sugar mill seizures in Cuba oil nationalization and railway strikes in Mexico the attempted revolution in Guatemala railway nationalization and Peronism in Argentina Brazil s textile strikes the Bolivian revolution of 1952 Peru s copper strikes and the copper nationalization in Chile all important national events in which industrial laborers played critical roles Demonstrating an illuminating bottom up approach to Latin American labor history these essays investigate the everyday acts through which workers attempted to assert more control over the work process and thereby add dignity to their lives Working together they were able to bring shop floor struggles to public attention and at certain critical junctures to influence events on a national scale The contributors are Andrew Boeger Michael Marconi Braga Jonathan C Brown Josh DeWind Marc Christian McLeod Michael Snodgrass Andrea Spears Joanna Swanger Mar a Celina Tuozzo and Joel Wolfe
