

• BIOGRAFÍA •

COMO YO LOS VEIA

Margaret Mead y Gregory Bateson fueron leyendas en vida. Muchos autores escribieron sobre estos célebres antropólogos cuya influencia se siente todavía en el mundo entero, pero ninguno alcanzó la profundidad ni la familiaridad que revela esta memoria escrita con amor por su hija.

«Un niño y un adulto que se inclinan para contemplar las raíces de la hierba o los cangrejos que corretean en los charcos cuando baja la marea pueden descubrir un mundo.» La autora evoca una infancia extraordinaria al desvelar los mundos descubiertos y creados por una madre y un padre capaces de expresar los objetos de su interés mediante imágenes comprensibles para una niña. «Enséñame algo nuevo, papá» así comenzaban los juegos con Gregory. Durante un paseo matinal, Margaret «descubría» los estamentos jerárquicos de una sociedad poblada de duendes. Mientras la autora aprendía a través del juego, sus embelesados padres tomaban notas de su infancia, como si fuera un novedoso campo de estudio.

La infancia descrita por Bateson no es idílica: las separaciones eran dolorosas, frecuentes y previsibles. Sus padres vivieron separados durante mucho tiempo y finalmente se divorciaron cuando ella tenía once años. Se crió en el seno de una familia ampliada, formada por Margaret con el círculo de sus amistades íntimas. La figura más constante en la vida de la autora fue su «tío Mory», una compañera de estudios de Margaret.

En su madurez, la antropóloga Mary Catherine Bateson se convirtió en colega de sus padres. Aquí relata los caminos fascinantes que estos científicos precursoros recorrieron cada uno por su lado, y describe los complejos vínculos que mantuvieron Margaret y Gregory hasta su muerte.

Este retrato profundamente humano y esclarecedor de Margaret Mead y Gregory Bateson echará nueva luz sobre sus extraordinarios descubrimientos, y así lo descubrirán los estudiosos de su obra y los discípulos de sus ideas. Es un aporte importante para el estudioso y para los lectores en general. Es ante todo la evocación franca y conmovedora de una familia extraordinaria, escrita por la única persona capaz de hacerlo.

Mary Catherine Bateson vive en Cambridge, Massachusetts, con su esposo y su hija Sevanne. Es profesora de antropología en la Universidad de Amherst. Se recibió en Radcliffe en 1960 y se doctoró en Harvard en 1963.

Ha dirigido proyectos de investigación en Brandeis y el Massachusetts Institute of Technology y ha enseñado en Harvard y en Northeastern. Ha colaborado con diversas instituciones de enseñanza en Iran. Sus obras incluyen trabajos sobre lingüística y antropología.
