Presence Provoke them not to wrath Fertile ground Nurture them Devotion Discipline Training Instruction Warn or admonish From the Lord Word of God Although this book is meant to help us raise our children it focuses on parents for it assumes that if parents are not what they should be then their child rearing will not be all that God intended either Deuteronomy 6 6 tells us These commandments that I give you today are to be on your hearts That is before we teach our children we must have been taught ourselves If we as parents are not faithful disciples of the Word it is unlikely that we will be able to pass on God's truths to the next generation
