**Il compagno dagli occhi senza cigli e altri studii del vivere inimitabile** Gabriele D'Annunzio, 1928     D'Annunzio e l'occulto Attilio Mazza, 1995     **Gabriele D'Annunzio** John Robert Woodhouse, 2001 Novelist playwright and poet Gabriele D'Annunzio 1863 1938 shocked and dazzled early twentieth century Europe with his sexual exploits military feats and political escapades More than any other figure since the unification of Italy he casts a shadow forward to the present day His relationships with the worlds of Italian culture theatre and politics were unique fiery and always controversial His literary achievements have influenced generations of Italian writers This is the most authoritative biography of the man in any language     **The Reprisal** Laudomia Bonanni, 2013-03-29 In the bitterly cold winter of 1943 the Italian countryside is torn apart by violence as partisans wage a guerilla war against the occupying German army and their local fascist allies In the midst of this conflict a ragtag group of fascist supporters captures a woman in the late stages of pregnancy Suspecting her of being in league with the partisans they hastily put her on trial by improvising a war tribunal one night in the choir stalls of the abandoned monastery that serves as their hide out This sham court convicts the woman and sentences her to die but not until her child has been born When a young seminarian visits the monastery and tries to dissuade the fascist band from executing their sentence the absurd tragedy of the woman's fate is cast in stark relief The child's birth approaches an unnerving anticipation unfolds and tension mounts ominously among the characters and within their individual psyches Based on a number of incidents that took place in Abruzzo during the war Laudomia Bonanni's compact and tragic novel explores the overwhelming conflicts between ideology and community justice and vengeance The story is embedded in the cruel reality of Italian fascism but its themes of revenge sacrifice and violence emerge as universal delivered in prose that is at once lyrical and brutal In her native Italy Bonanni a writer of journalism and critical prose as well as fiction is hailed as one of the strongest proponents of post war realism and this is the first of her novels to be made available to Anglophone readers Translators Susan Stewart and Sara Teardo render Bonanni's singular style both sparse and emotive frank and poetic into readable evocative English     Il Compagno dagli occhi senza cigli, 1931     Wingless Victory - A Biography of Gabriele D'Annunzio and Eleonora Duse Frances Winwar, 2011-12-09 This is not a definitive biography for no work that has life as its root can ever be rigidly set Nor can one claim to have said the last word while there is a creative mind capable of a new idea or an original interpretation It has been the author's aim through exhaustive research and objective handling of newly uncovered facts to come as close as possible to essential truth clouded for many years by passion and prejudice particularly regarding Eleonora Duse d'Annunzio and *Il Fuoco* and later the Comandante's role in the First World War The publication of pertinent material available for the first time in a biography may help to reveal the characters in their true light with all their faults which were great and with their virtues which were greater still     Bibliografia di Gabriele d'Annunzio Giulio de Medici, 1928     Bibliografia de Gabriele d'Annunzio Giulio de Medici, 1928     Il compagno dagli occhi
