*Social Work Practice with Fathers* Jennifer L. Bellamy, Brianna P. Lemmons, Qiana R. Cryer-Coupet, Jennifer A. Shadik, 2022-10-31 Social workers need to work with fathers across many service systems but lack guidance on how to do so and most engagement assessment and intervention work for family serving systems is mother and child focused Father inclusive readings and resources are also limited Drawing on the expertise of well regarded research and practice experts in the field this comprehensive book provides guidance to social work practitioners and researchers on how to engage assess

and serve fathers. Instructors can use the text to include fathers in courses on the human behavior and social environment, family systems, clinical practice, diversity, or service systems. Social service systems unfortunately have often struggled to positively engage men as parents. Recent demographic trends indicate that fathers are providing more direct care to children and single father households are one of the most rapidly growing demographic groups in the United States. Barriers to their successful engagement include biases and assumptions about men and fathers, a lack of father-friendly policies and practices in the field, limited training on how to work with fathers, and relatively limited father-inclusive social work research until recently. This book addresses these barriers. It is a guide to social workers in their efforts to better serve men as parents and does so from an ecological and systems perspective. Multiple case examples and practical tools are provided, as well as specific content on major social service systems. Topics explored include Father Engagement, Organizational Father-Friendly Assessments, Interventions with Fathers, Setting the Course for Future Theory Research, and Practice with Fathers. Social Work Practice with Fathers: Engagement, Assessment, and Intervention is a book that could be folded into foundation courses in social work or used by practitioners in the field. It is an essential text for graduate students in social work, psychology, sociology, child development, allied health, and similar disciplines and professions, and a go-to resource for helping professionals, practitioners such as social workers, psychologists, and licensed professional counselors. Advanced undergraduate students in these disciplines and professions also will find the text useful in their studies and work.

**Dads for Daughters** Michelle Travis, 2020-01-28. The dude's playbook and toolbox for truly showing up for women at work as an advocate and a warrior for gender equality. Go Dads Go! W. Brad Johnson, David Smith, authors of Athena Rising. Winner 2020 Living Now Gold Award. Family Parenting Today's generation of feminist dads are raising confident, empowered daughters who believe they can achieve anything. But the world is still profoundly unequal for women and girls: workplaces built by men for men, massive gender pay gaps, and deeply ingrained gender stereotypes. Dads for Daughters offers fathers guidance for building a world where their daughters can thrive. The most successful leaders of all companies, from family businesses to lean startups, understand that leaders eat last. Your workplace can be a stage for the fight for equality and true leadership that empowers women. The guidance in this book will help you move from TED talks to daily action. Men who were raised with the second-wave feminism of *The Feminine Mystique* know that the personal is political. The confidence code for girls that you instill at home can lead to a better world for all women. Dads for Daughters is a feminist book for fathers invested in the gender equality fight. With this book, you'll find steps you can take today in your workplace and community to create a better tomorrow. Inspiring stories from successful and empathetic fathers. Resources to help you take action in the women's movement. If you're a dad who wants to create a fairer and more equal world for your daughters to thrive in, this book is a must-read. Jerry Yang, cofounder, former CEO of Yahoo Inc.
