Dwayne Anderson,2020-10-17 Instagram Reels Marketing Instagram Reels Is The Latest Addition In The Top Marketers Social Media Marketing Arsenal If you haven t heard about it or are confused about how to get started we re here to help Everything you need to know is right here This Is An Excellent Opportunity To Learn How To Get Started With Instagram Reels Marketing To Interact With A Wider Audience Fuel Your Branding Endeavors And Help Brands Cash Upon More ROI Instagram Reels is the latest format of Instagram Stories that can be used to create and share 15 second video clips either with your followers or if you have a public account with the larger Instagram community via the Explore page And since video content is all the rage now top brands are using Instagram Reels for business marketing by sharing short video content to convey their branding and advertising messages on the Explore page as well as with followers to gain massive traction As it rolled out to the majority of users in August 2020 this feature is being made available across 50 countries including the U S making it an impeccable platform to interact with audiences and fuel your branding endeavors

The timing is also fortuitous given TikTok's uncertain future in the U.S. as the Trump administration weighs either banning the Chinese-owned app entirely or forcing it to sell off its U.S. operations. To put this further into perspective, let's take a look at a few stats. The average time spent on Instagram increased by 3.5% since the launch of Instagram Reels. For example, some published data reflects recent developments as follows: Two-thirds of the NBA's franchises have posted at least one Reel since the feature launched in the United States. The Los Angeles Lakers top the league in engagement on Instagram Reels with more than 385,000 engagements and more than 4.1M plays on a single video. Louis Vuitton averages 7M views on each Reel and are still increasing. Sephora France gets more than 453K views on each Reel and more. That is great news for businesses that want to survive and thrive despite the challenging economic conditions. So here we are with our Awesome course: Instagram Reels Marketing. This guide will discuss why Instagram Reels Marketing is important for your business as well as the process of creating attention-grabbing sales-oriented videos on them and all the answers about utilizing this platform. The InstaGuide C. J. Hallock, 2017-07-31. Instagram has grown to be one of the largest social media platforms. With over 700 million monthly users, it is the gateway between you and your soon-to-be customers or clients. I knew I needed to figure out Instagram. So I started doing some research. That research went from just looking at a few blog posts and Instagram accounts into a massive passion project. While I did start this as a blog post, *The Ultimate Guide to Instagram*, it continued to grow the more research I did. To date, I have over 250 hours of research into Instagram. I found that none of the blog posts, books, or reports I read had much outside of a few hacks or one specific thing. This frustrated me, so I started to piece every piece of information I could find on Instagram together. After that blog post passed 6,000 words, I decided to finish it as a book so I can have all this information in one location that is easy for people to keep on hand. So follow along in this Instagram Guide and learn the basics and more. The following are some of the topics covered within the *InstaGuide*: How to create an Instagram account, How to use analytics, Business Tools within Instagram, What do I post to Instagram, What are hashtags and how do I use them, What should I post in my Instagram captions, What is a GeoTag, How often should I post on Instagram, Should I repost other people's posts on Instagram, What can I do with an Instagram video, What do I do after I post to Instagram, What is Instagram Stories, How do I use Instagram Live, How to use Instagram Direct Messages. That is not all; I have also included some of the best Instagram hacks to grow your following and increase your
