Managing Technology Integration for Human Resources in Industry 5.0 Sharma, Naman, Shalender, Kumar, 2023-02-03
Although the transition between the first three industrial revolutions took more than a century Industry 4.0 is progressing quickly. The emergence of digitalization has been rapid thanks to the development of cutting edge technologies. Though we are witnessing this rapid technological decentralization and interconnectivity at present organizations and researchers are already discussing Industry 5.0 where full integration of the human side of business and intelligent systems is expected. In this scenario it is essential to look forward to such strategic workplaces that allow a combination of humans and technology to assure a high degree of automation merged with the cognitive skills of business leaders. *Managing Technology Integration for Human Resources in Industry 5.0* provides insights into the impact of the Industrial Revolution 4.0 on human resources. It provides insights for both industry and academia to assist them in teaching and training the next generation leaders through universities and corporate training. Covering topics such as business performance, human technology integration and digitalization, this premier reference source is an essential resource for human resource managers, IT managers, organizational executives and leaders, entrepreneurs, students and educators of higher education, librarians, researchers and academicians.

Teaching Performance Practices in Remote and Hybrid Spaces Jeanmarie Higgins, Elisha Clark Halpin, 2022-06-16
This collection of insightful essays gives teachers perspectives on the role of space and presence in teaching performance. It explores how the demand for remote teaching can be met while at the same time successfully educating and working compassionately in this most live of disciplines. *Teaching Performance Practices in Remote and Hybrid Spaces* reframes prevailing ideas about pedagogy in dance, theatre and somatics and applies them to teaching in face to face, hybrid and remote situations. Case studies from instructors and professors provide essential practical suggestions for remotely teaching a vast range of studio courses including tap, dance, theatre, design, movement, script analysis and acting, rendering this book an invaluable resource. The challenges that teachers are facing in the early twenty first century are addressed throughout, helping readers to navigate these unprecedented circumstances whilst delivering lessons, guiding workshops, rehearsing or even staging performances. This book is invaluable for dance and theatre teachers or leaders who work in the performing arts and related disciplines. It is also ideal for any professionals who need research based solutions for teaching performance online.
