The World Is Your Office Prithwiraj Choudhury, 2025-04-22 A research based deep dive into a growing phenomenon companies allowing employees to work from anywhere and how those who adopt this model can boost talent innovation and productivity As the debate around remote versus in office work rages on leaders in a wide range of industries continue to implement radically flexible work practices allowing most if not all of their employees to work from anywhere Why They understand that geographic flexibility offers a competitive advantage the ability to attract and retain top talent globally In *The World Is Your Office* Harvard Business School professor Prithwiraj Choudhury who has been studying this phenomenon for over a decade takes readers inside the trailblazing companies that are going all in on work from anywhere WFA policies From startups and nonprofits to government agencies and large corporations Choudhury's research shows why and how these organizations and their employees are benefiting Drawing insights from this pioneering research Choudhury also provides an extensive playbook for implementing successful WFA policies offering leaders concrete strategies to Use WFA as a means of hiring and retaining the best talent Effectively manage WFA teams share knowledge and combat isolation Leverage AI and automation to extend WFA into manufacturing and other deskless roles Design programs that attract talent to different regions Filled with actionable insights and extensive case studies *The World Is Your Office* empowers leaders to embrace the future of work

The New (Ab)Normal Yossi Sheffi, 2020-10-01 Much has been written about Covid 19 victims how scientists raced to understand and treat the disease and how governments did or did not protect their citizens Less has been written about the pandemic's impact on the global economy and how companies coped as the competitive environment was upended In his new book *The New Ab Normal* MIT Professor Yossi Sheffi maps how the Covid 19 pandemic impacted

business supply chains and society He exposes the critical role supply chains play in helping people governments and companies to manage the crisis The book draws on executive interviews pandemic media coverage and historical analyses Sheffi also builds on themes from his books *The Resilient Enterprise* 2005 and *The Power of Resilience* 2015 to enrich the narrative The author paints a compelling picture of how the Covid 19 virus is changing many facets of human life and what our post pandemic world might look like This must read book helps companies to redefine their business models and adjust to a fast evolving economic landscape The stage is set In Part 1 of the book *What Happened* the author looks at how companies fought to mend the global economic fabric even as the virus ripped more holes in it Part 2 *Living with Uncertainty* views the crisis through a supply chain risk management lens derived from Yossi Sheffi's previous books This perspective shows how companies create corporate immune systems to quickly recognize and manage large scale disruptions The ongoing pandemic is creating a new normal in life work and education covered in Part 3 *Adjustment Required* Consumer fears about the contagion as well as government mandates require businesses in industries such as retail hospitality entertainment sports and education to create safe zones for workers and customers Many elements of the book especially in Part 4 *Supply Chains for the Future* show how the virus accelerated preexisting trends in technology adoption China was the epicenter of the pandemic it also was the first nation to be disrupted and recover Part 5 of the book *Of Politics and Pandemics* explains why reports that companies are abandoning China in favor of other offshore manufacturing centers do not reflect reality Fundamentally The New Ab Normal is about businesses trying to create a better future in a time of extreme uncertainty a point emphasized in Part 6 *The Next Opportunities* The outlook is not necessarily gloomy The advance of technology is accelerating a trend that can level the playing field between small and large companies Nimble small businesses are using a growing array of off the shelf cloud computing and mobile apps to deploy sophisticated technologies in their supply chains and customer interfaces The New Ab Normal Another new normal is working from home Remote working enables individuals to live anywhere and companies to recruit talent from anywhere Education especially higher education faces a major disruption and major opportunity that is likely to shake the high cost model of in person education in favor of online or hybrid education Regrettably the book recognizes one trend accentuated by Covid 19 the growing inequality and anticipates that the new normal will be more stratified

[Tourism Recovery Based on Digital Nomadism Post-COVID-19 in Ubud Bali](#) Fransisco Situmorang, 2022-05-30 The COVID 19 pandemic is the worst crisis and historical record for the global tourism sector since the 1950s Destinations that rely heavily on the tourism sector will face this pandemic's extraordinary impact such as Bali which experienced a significant depreciation of economic growth However the COVID 19 pandemic is also the right opportunity and momentum to redesign tourism development more sustainable to overcome the overtourism issue in Bali Tourism recovery efforts must be carried out immediately by prioritizing product diversification and increasing destinations value and quality according to tourism development trends such as digital

nomadism Digital nomadism as a lifestyle allows individuals to work regardless of location and take advantage of that freedom to travel worldwide The practice of digital nomadism has developed rapidly pre pandemic in the Ubud Tourism Area Bali and it will increase further due to the digital transformation of human life during the COVID 19 pandemic The Ubud Tourism Area recovery as a digital nomadism destination must be a priority consideration by the government tourism entrepreneurs and local communities in entering the post normal tourism period **Handbook of Sustainability in**

Tourism and Hospitality in Indonesia Putu Diah Sastri Pitranatri, *Remote and Roaming* Mari Toivanen, 2025-09-16 *Remote and Roaming* explores the practices meanings and politics of digital nomadism through extensive ethnographic fieldwork conducted across the globe Digital nomads represent a growing class of highly mobile professionals whose work is location independent and who combine continuous travel with remote work Based on rich empirical material the book examines digital nomads accounts of their mobile lifestyles and addresses key questions such as why do individuals choose this way of life What does their everyday routine entail And how do they navigate social relationships family and community life By situating digital nomadism within broader patterns of remote work this volume highlights the societal and global transformations currently unfolding in relation to employment mobility and digitalisation and their implications for both social and professional life As an early manifestation of growing international remote work mobilities digital nomadism reflects the evolving nature of work in late capitalist societies and the emergence of transnational lifestyle mobilities shaped by the COVID 19 pandemic Silicon Valley Imperialism Erin McElroy, 2024-02-02 Erin McElroy maps processes of gentrification racial dispossession and economic predation in the San Francisco Bay Area and postsocialist Romania to expose the mechanisms through which global techno capitalism devours space and societies in order to expand its reach
