Izzo,2020-11-24 Gives you the key to unlocking your full potential for greater success achievement and personal power in every area of your life Brian Tracy New York Times bestselling author of Eat That Frog All too often the challenges we face seem overwhelming Where do we start What if we fail But bestselling author John Izzo argues that almost every problem from personal difficulties and business challenges to social issues can be solved if all of us look to ourselves to create change rather than looking to others And with

the research to prove it Izzo shows that by seeing ourselves as the locus of control rather than the victims of change we are happier less stressed and more powerful Izzo shows how taking responsibility changes our careers our companies our lives and our communities This book is filled with stories that illustrate the incredible power of stepping up a homeless man who started a recycling revolution a middle aged Italian shopkeeper who fought back against the Mafia two teenagers who ignited an antibullying movement an executive who turned a dying division into a profit center and a few employees who created a multibillion dollar product for Starbucks and many more This second edition includes a new chapter on the Stepping Up Continuum a model that looks at six ways to know if you are stepping up or stepping back as well as fresh stories and a self assessment tool for helping leaders create a culture for stepping up in their organizations We have the power within ourselves to move mountains we just have to decide that we are the ones to do it Insightful and inspired Marshall Goldsmith
