Being Together, Working Apart Barbara Schneider,Linda J. Waite,2005-02-24 Despite the fact that most parents are employed how work affects the lives and well being of parents and their children remains relatively unexplored A recent study of 500 dual career families in 8 communities across the US provides a holistic view of the complexities of work and family life experienced by parents and their children Drawing on the study this book explores how dual earner families cope with the stresses and demands of balancing work and family life whether the time parents spend working is negatively affecting their children how mothers feel managing both work and household responsibilities and what role fathers are taking in family life In answering these questions the authors argue for a new balance between work and family life The book with its rich data findings and commentary from an interdisciplinary group of scholars provides a valuable resource for academics policy makers and working parents

Transit Markets of the Future Sandra Rosenbloom, Transit Cooperative Research Program, 1998 Examines the effects of current trends e g demographic economic social land use and transport policy and trends expected over the next 15 years on current and future transit markets Although many of these trends are not favorable to public transit a number are identified that provide opportunities for maintaining current transit markets and creating new expanded or different transit markets The report identifies 40 transit service concepts that appear to offer the most effective means of adjusting to these societal trends

Working in America Amy S. Wharton, 2015-11-17 The Great Recession brought rising inequality and changing family economies New technologies continued to move jobs overseas including those held by middle class information workers The first new edition to capture these historic changes this book is the leading text in the sociology of work and related research fields Wharton s readings retain the classics but offer a new spectrum of articles accessible to undergraduate students that focus on the changes that will most affect their lives New to the fourth edition *100+ REAL Work from Home Jobs, Gigs, Careers, and Side Hustles that You Can Do RIGHT NOW* Rebecca Hurst, 2020-06-08 Yes you really can make an actual income working from home Under the recent advice of social distancing and stay safe stay at home the advantage in today s workforce lies with those people who are able to do real work from home Because let s face it this will not be the only instance in our lifetime where we will encounter the need to lock down and shelter in place In my book I show you over 100 ways you can have a successful career working from the comfort of your own home My Work from Home book addresses all skill levels and touches on nearly every sector of gainful employment that can be performed remotely From highly skilled medical professionals to someone just now entering the workforce with little to no prior experience there s a job for you If you re just looking to make some extra side income or work at your own pace this book is for you too Many positions can be tailored to your preferred schedule what your expertise is and what your level of comfort with technology might be I took the guesswork out of the equation for you Other books blogs and articles will direct you to the link to find the job and then you have to figure out if it is for you The goal of my book is to cut out some of that guesswork for you by supplying you with as much information as possible so that you can start your own process without having to wade through all the internet muck I have done the heavy lifting for you You will find at least one chapter that seems like it was written especially for you in your situation This book is set up in chapters divided by how you would go about finding a job you love

The first part is about finding what work you might want to do establishing what you re good at and general advice about job hunting and working from home The bulk of the book is dedicated to practical guidance for finding that job in the real world You can peruse the types of jobs that can be done remotely and how you might go about performing the job you love Conversely I have provided you with a listing of over 60 companies who are actively hiring remote work from home workers Out of the 100 ways to work from home you re sure to find something you never thought of doing Finally I wrap up with addressing places to find freelance or gig work and suggesting some job opportunities you might take advantage of working from your house as a base of operations While these jobs might not be done completely at home you can still work out of your house without having to step foot in a cooperate office It s better in the eBook format I would highly recommend purchasing or gifting this book in the Kindle eBook format because it is filled to the brim with helpful links that are clickable when read in the eBook format If you have a Kindle Unlimited membership you can also get this title for FREE for a limited time so be sure to click Read for Free before this title is removed from Kindle Unlimited

Representations of Childhood Death NA,2016-04-30 Recent events such as the massacres in Dunblane and Arkansas the deaths of children in terrorist attacks civil wars and famines children born with AIDS and the many abductions and murders of children including some by children have placed childhood death firmly in the public consciousness But how do we understand what it means for a child to die This book examines the way the deaths of children have been dealt with at different times and in different media Each contributor has focused on a different way of representing the deaths of children from superstitions about malign child ghosts through mothers diaries to horror fiction and more
