Rošker,Nataša Vampelj Suhadolnik,2013 The editors are grateful to the Chiang Ching kuo Foundation for its generous support of their research work which enabled them to publish the present book The present book carefully maps the Chinese modernisation discourse highlighting its relationship to other similar discourses and situating it within historical and theoretical contexts In contrast to the majority of recent discussions of a oeChinese development model that tend to focus more on institutional then cultural factors and are more narrowly concerned with economic matters than overall social development the book offers several important focal points for many presently overlooked issues and dilemmas The multifaceted perspectives contained in this anthology are not limited to economic social and ecological issues but also include political and social functions of ideologies and cultural conditioned values representing the axial epistemological grounds of modern Chinese society 2011 was the 100th anniversary of the Xinhai Revolution The centennial is relevant not only in terms of state ideology but also plays a significant role within academic research into Chinese society and culture This historic turning point likewise represents the symbolic and concrete linkages and tensions between tradition and modernity progress and conservatism traditional values and the demands for adjustment to contemporary societies The book shows that Chinese transition from tradition to modernity cannot be understood in a framework of a unified general model of society but rather through a more complex insight into the interrelations among elements of physical environment social structure philosophy history and culture **Student Lawyer** ,2004 **Ai Weiwei** Urs Stahel,Daniela Janser,2011 Ai Weiwei is a conceptual artist highly critical of society and dedicated to the creation of and friction between realities Interlacing presents the complexity of Weiwei s oeuvre through blogs critical essays and hundreds of photographs **Ai Weiwei, Spatial Matters** Weiwei Ai,Anthony Pins,2014 This book draws on the full breadth of Ai Weiwei s architectural installation and activist work including drawings and plans from huge range of international projects with particular emphasis on his use of space Throughout the book a wide selection of essays by leading critics and art historians as well as interviews with the artist draw out his central concerns Jacket **Blogosphere** Michael Keren,2006-09-15 Examining the web logs or blogs of individuals from a variety of continents and cultures this book highlights the nature of blogosphere the virtual public arena of

the early 21st century which alters the traditional world of media and politics It characterizes this new arena by the unique combination of a fresh voice of emancipation and a deep sense of melancholy and isolationism This journey through blogosphere highlights major forces operating in today s politics apathy toward political affairs resistance to globalization a quest for redemption through religious fundamentalism and terrorism Michael Keren compares bloggers to terrorists arguing that while the methods advocated by the two groups are obviously very different they both represent a similar trend one of diversion by respected but disenchanted citizens from the norms of civil society to a fantasy world in which the excessive use of words_or bombs_would make everybody listen *The Japan Journal* ,2005
