**Commonwealth Businesswomen** Commonwealth Secretariat, 2002 This handbook is a compilation of the best practices in Commonwealth countries that support the development of businesses owned and or operated by women The case study format is given some authenticity by the success stories related by women from across the Commonwealth Fifteen countries have been featured The best practice will assist women entrepreneurs from around the world who want to learn successful strategies from leading women entrepreneurs The British National Bibliography Arthur James Wells, 2003

**Commonwealth Businesswomen**, 2002 Globalisation and trade liberalisation are posing a number of challenges as well as creating new opportunities for the many women entrepreneurs throughout the Commonwealth Since women owned businesses play a key role in national economic growth it is important to ensure that the policy environment infrastructure and support mechanism for businesses are accessible to them and meet their needs This book offers a number of case studies which address issues traditionally seen as problems for businesswomen access to credit information technology and markets and equity issues These are followed by a compilation of best practices more than thirty stories from around the Commonwealth showing how while developing successful businesses women entrepreneurs have found innovative ways to integrate social issues and structures as well as to network and build cross sectoral alliances The book also provides an overview of World Trade Organization agreements and looks at the workings of the International Monetary Fund

Encyclopedia of Business Information Sources Gale Group, 2003 Each updated edition identifies nearly 35 000 live print and electronic sources of information listed under more than 1 100 alphabetically arranged subjects industries and business concepts and practices Edited by business information expert James Woy Forthcoming Books Rose Arny, 2002 Gender Mainstreaming in the Multilateral Trading System Mariama Williams, Commonwealth Secretariat, 2003 Overview of the Multilateral Trading System MTS and the globalisation process with a focus on the WTO gender and governance in the Multilateral Trading System MTS gender and trade issues with a focus on the Agreement on Agriculture AOA General Agreement on Trade in Services GATS Trade Related Intellectual Property Rights TRIPS Trade Related Investment Measures TRIMS and Government procurement Proposed action plan including recommendations for actions on the key issues and identification of strategies that could be played by different stakeholders governments intergovernmental organisation and civil society *Gender Mainstreaming in the Multilateral Trading System* Mariama Williams, 2003 The social dimension of trade policy and trade liberalization is now a common topic in many official trade fora This discussion is proceeding with little or no attention to the different needs constraints and interests of women This handbook provides an integrated framework for a sustainable pro-poor and gender-sensitive approach to trade policymaking It is an information and training tool for policymakers and intergovernmental and civil society organisations interested in building and enhancing their knowledge of

the important linkages between trade and investment policy and gender equality objectives and priorities It also presents recommendations on the key issues as well as the identification of strategies that could be utilized by different stakeholders Each section includes case studies from Commonwealth countries

***Breaking Through*** Martine Liautaud, 2016-04-18 When women succeed we all win *Breaking Through* explores the mentoring relationship and unravels its effects on women businesses society and the economy In 2010 author Martine Liautaud founded the Women Business Mentoring Initiative WBMI to support women entrepreneurs with the targeted advice and personalized guidance that can only come from a mentor In late 2015 she set up the Women Initiative Foundation to broaden her action in favor of women in the business world This book encapsulates the WBMI mission and other similar experiences inside international and US corporations showing how mentoring and sponsorship can take many forms and how each form benefits women in business Through evidence based narratives you ll learn what real women have gained from both sides of the dynamic and why they credit mentoring with the strength of their business success These stories show how mentoring yields increased efficiency improved financials more effective management increased innovation a broader talent pool and increased revenues and how helping women succeed in business leads to increased philanthropy and improves community sustainability Gender equality has made huge strides in the US and Western Europe but this progress is only apparent in the junior levels of the workplace This book shows how mentoring women entrepreneurs and women managers provides the key that opens the door to the new economy Understand why mentoring is key to women s economic advancement Learn how mentoring yields tangible benefits beyond the workplace Delve into the experiences of real mentor mentee pairs Consider the effectiveness of various types of mentoring Despite the increasing opportunities for women in business statistics and pervading stereotypes suggest that true gender equality is still far on the horizon Mentoring and sponsorship can be tremendously helpful to women looking to achieve great things the wisdom of experience is a powerful asset in business strategy and decision making and the mentor mentee relationship benefits everyone *Breaking Through* makes a compelling case for the effectiveness of mentoring with real women s stories of success

**Gender Mainstreaming in Trade and Industry** Louise O'Regan Tardu, Commonwealth Secretariat, 1999 It is based on the recognition that gender inequality operates at all levels and in all sectors of society and thus needs to be addressed in the mainstream It aims to ensure that women and men benefit equitably from all that society has to offer and are equally empowered to affect its governance and decisions
