the truth Praise for The Last Leonardo The story of the world s most expensive painting is narrated with great gusto and formidably researched detail in Ben Lewis s book Lewis s probings of the Salvator s backstory raise questions about its historical status and visibility and these lead in turn to the fundamental question of whether the painting is really an autograph work by Leonardo Charles Nicholl The Guardian As the art historian and critic Ben Lewis shows in his forensically detailed and gripping investigation into the history discovery and sales of the painting establishing the truth is like nailing down jelly Michael Prodger The Sunday Times
