Communicate And Comprehend Bk 4:

Developing Early Comprehension Skills Through Picture Book Talk Donna Thomson, 2023-12-13 Developing Early Comprehension Skills Through Picture Book Talk demonstrates how strategic picture reading and playful sensory learning can develop young children's explicit and implicit comprehension skills regardless of their decoding ability. Offering an inclusive teaching and assessment approach that aligns with the Early Years Foundation Stage (EYFS) framework and supports the early adopter school initiative, it will help readers to guide children's use of picture reading for meaning strategies in preparation for more complex comprehension instruction in Year 1. The book also contains useful resources such as colour picture booklets and downloadable family workshop sessions to help guide parents in more effective picture book talk at home. It offers corresponding steps for planning teaching and assessing children's picture book talk, multisensory learning, self-questioning skills, and early reading for meaning. The methods and activities within this book specifically help to develop vocabulary, setting vocabulary, character vocabulary, general vocabulary, communication, and language skills, critical thinking, and inference skills, metacognition, personal learning awareness, self-confidence, and self-regulation skills. Providing examples of practice, photocopiable resources, and step-by-step guidance for teaching key comprehension strategies and early self-regulation skills, this book is essential reading for all those who work with young children and wish to encourage a love of reading.
