**Receptor-Oriented Communication for Hui Muslims in China** Enoch Jinsik Kim, 2018-04-18 There are many books that highlight the need and importance of mission toward unreached people Unfortunately few of them deal with the importance of understanding the real life of unreached people and how to analyze them This book identifies conceptual issues for the development of receptor oriented communication strategies among young educated urban Hui YEUE Hui Muslims in China's northwestern cities in order to achieve culturally relevant churches in those areas It is written to help not only those who are interested in the unreached but also those who are interested in Muslim evangelism urban sociology biblical exegesis contextual church planting communication and mission strategy Enoch Jinsik Kim utilizes a new approach virtual community mission for planting offline churches that integrates the use of local church driven Internet community traditional media and offline task teams from a multi ethnic local church While the research focuses on the Chinese Muslim context the identification of the young urban and educated as a strategic group for mission can be applied in other Muslim and non Muslim contexts This research is useful to cross cultural communicators church planters and all those interested in interpersonal relationships

*Communication Campaigns and National Integration in China's Market Economy Era* Yanru Chen, 2015-09-01 This book adopts the method of grounded theory in studying national communication campaigns in China referred to as propaganda campaigns in the Chinese linguistic context The study provides an exploratory and descriptive analysis of the ways in which the media in China fulfilled their function of building a Socialist spiritual civilisation and maintaining national integration during state propaganda campaigns Explanations for the success and limitations of the campaigns are clearly expressed and combined with cautious statements on the limited role of the media in the process of national integration The three major communication campaigns detailed in this book offer revelations regarding how to maintain mass morale and revive the national spirit at a time when economic pursuits and aspirations seem to be the top priority for individuals and institutions A chief premise underpinning this study is that economic growth is not to be equated with social progress or human development the latter encompassing a far more profound spiritual dimension which takes far more delicate efforts to accomplish
