Anecdotes & Statistics from The Great War
1914-1918

By Will R. Bird

Communication Trench Stories And Statistics From The Great War 19141918

Susan R. Grayzel, Tammy M. Proctor

Communication Trench Stories And Statistics From The Great War 1914-1918:

The Canadian Experience of the Great War Brian Douglas Tennyson, 2013-05-01 Although the United States did not enter the First World War until April 1917 Canada enlisted the moment Great Britain engaged in the conflict in August 1914. The Canadian contribution was great as more than 600 000 men and women served in the war effort 400 000 of them overseas out of a population of 8 million. More than 150 000 were wounded and nearly 67 000 gave their lives. The war was a pivotal turning point in the history of the modern world and its mindless slaughter shattered a generation and destroyed seemingly secure values. The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself. Although many scholars have brilliantly analyzed the literature of the war little has been done to catalog the writings of ordinary participants men and women who served in the war and wrote about it but are not included among well known poets novelists and memoirists. Indeed we don't even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication. Brian Douglas Tennyson's *The Canadian Experience of the Great War: A Guide to Memoirs* is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans. **The Communication Trench** Will Richard Bird, 2000 [Behind the Front](#)

Craig Gibson, 2014-03-27 Until now scholars have looked for the source of the indomitable Tommy morale on the Western Front in innate British bloody mindedness and irony not to mention material concerns such as leave food rum brothels regimental pride and male bonding. However re-examining previously used sources alongside never before consulted archives Craig Gibson shifts the focus away from battle and the trenches to times behind the front where the British intermingled with a vast population of allied civilians whom Lord Kitchener had instructed the troops to avoid. Besides providing a comprehensive examination of soldiers' encounters with local French and Belgian inhabitants which were not only unavoidable but also challenging symbiotic and uplifting in equal measure Gibson contends that such relationships were crucial to how the war was fought on the Western Front and ultimately to British victory in 1918. What emerges is a novel interpretation of the British and Dominion soldier at war. [Canadian Books in Print. Author and Title Index](#), 1975

Corporal Hitler and the Great War 1914-1918 John Frank Williams, 2005 This book explores Adolf Hitler's career as a soldier in World War I and looks at the influences that led to his fanatical nationalism as a political leader. [Clio's Warriors](#) Tim Cook, 2011-11-01 *Clio's Warriors* examines how the Canadian world war experience has been constructed and reconstructed over time. Tim Cook elucidates the role of historians in codifying the sacrifice and struggle of a generation as he discusses historical memory and writing the creation of archives and the war of reputations that followed each of the world wars on the battlefield. Only recently have academic military historians pushed the discipline to explore the impact of war on society. Even so the publications of official historians remain the central narrative of the national experience. In

analyzing where the profession has come from and where it needs to go Clio s Warriors plays a vital role in the ongoing challenge of writing critical history It will be an essential addition to the library of all Canadian military historians and students of military history and historiography **Canadian Books in Print** ,2003 **The Official History of Australia in the War of 1914-1918: The story of Anzac from 4 May, 1915, to the evacuation of the Gallipoli peninsula, by C. E. W. Bean** ,1924 *Acadiensis* ,2000 The East Yorkshire Regiment in the Great War, 1914-1918 Everard Wyrall,1928

Honour Roll of the Nova Scotia Overseas Highland Brigade W. James MacDonald,2007 The Nova Scotia Highland Brigade sailed from Halifax on the SS Olympic October 12 1916 and played a significant role in battles and victories of the First World War including the now infamous Vimy Ridge in 1917 Historian James MacDonald has catalogued information about members of the Highland Brigade 85th 185th 193rd 219th Battalions killed or mortally wounded in action The Honour Roll collates for the first time in a single publication the name date of birth family origin vocation enlistment details date and where they were killed in action and the final resting place of each member Fifteen battle maps showing troop movements are included along with descriptions of Commonwealth war graves where the soldiers are buried Also included are examples of campaign and memorial medals and citations bestowed upon various personnel listed in the Honour Roll as well as examples of dispatches and correspondence received by the families of soldiers killed in action *Gender and the Great War* Susan R. Grayzel,Tammy M. Proctor,2017-05-30 The centenary of the First World War in 2014 18 offers an opportunity to reflect upon the role of gender history in shaping our understanding of this pivotal international event From the moment of its outbreak the gendered experiences of the war have been seen by contemporary observers and postwar commentators and scholars as being especially significant for shaping how the war can and must be understood The negotiating of ideas about gender by women and men across vast reaches of the globe characterizes this modern instrumental conflict Over the past twenty five years as the scholarship on gender and this war has grown there has never been a forum such as the one presented here that placed so many of the varying threads of this complex historiography into conversation with one another in a manner that is at once accessible and provocative Given the vast literature on the war itself scholarship on gender and various themes and topics provides students as well as scholars with a chance to think not only about the subject of the war but also the methodological implications of how historians have approached it While many studies have addressed the national or transnational narrative of women in the war none address both femininity and masculinity and the experiences of both women and men across the same geographic scope as the studies presented in this volume **The Official History of Australia in the War of 1914-1918 ...** ,1935 **Canadian Books in Print** 2002 Edited by Butler Marian,Marian Butler,2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses **Trench Warfare, 1914-1918** Tony Ashworth,1980 **The**

Story of the Twelfth L. M. Newton,1925 *The Official History of Australia in the War of 1914-1918* Charles Edwin
Woodrow Bean,1937 **Cumulated Index to the Books** ,1938 *Forthcoming Books* Rose Arny,1999 *Shock Troops*
