Communication And Affect A Comparative Approach:

Communication and Affect Thomas Alloway, Lester Krames, Patrica Pliner, 2014-05-10 Communication and Affect A Comparative Approach examines the communication of affective or emotional feelings from a broad phylogenetic and ontogenetic perspective The book presents basic research findings and theoretical orientations with regards to affective responses and communication involving humans machines chimpanzees monkeys dogs and rodents Comprised of seven chapters this volume begins with a discussion on the development of love in primates throughout its entire sequential course from the mother infant stage of pious proper propinquity to the adult stage of seasoned salacious seductive success In all the stages of love much of the essential social information is supplied by unlearned communications which are rapidly overlaid by a veneer of learning Subsequent chapters explore attachment and dependence signs of language in children and chimpanzees affective aspects of aesthetic communication the communication of affect and the possibility of human machine interaction as a dyad and development of affect in dogs and rodents This book should be of use to psychologists linguists and educators interested in the evolution and development of communication and affect in mammals Communication and Affect; a Comparative Approach. Edited by Thomas Alloway, Lester Krames [and] Patricia Pliner Thomas Alloway, *The Handbook of Comparative Communication Research* Frank Esser, Thomas Hanitzsch, 2013-06-19 The Handbook of Comparative Communication Research aims to provide a comprehensive understanding of comparative communication research It fills an obvious gap in the literature and offers an extensive and interdisciplinary discussion of the general approach of comparative research its prospect and problems as well as its applications in crucial sub fields of communications The first part of the volume charts the state of the art in the field the second section introduces relevant areas of communication studies where the comparative approach has been successfully applied in recent years the third part offers an analytical review of conceptual and methodological issues and the last section proposes a roadmap for future research **Approaches To Emotion** Klaus R. Scherer, Paul Ekman, 2014-05-22 This sourcebook is intended as a reader in the fullest sense of that word a work that offers researchers and students alike the opportunity to examine the many different aspects and widely divergent approaches to the study of emotion The contributors include samples of biological ontogenetic ethological psychological sociological and anthropological approaches **Communication and Affect: A Comparative Approach. Edited by Thomas Holloway, Lester Krames (And) Patricia Pliner. Contributors: Ursula Bellugi (And Others).** Symposium on Communication and Affect, Erindale College? 1972, 1972 The Oxford Handbook of Political Leadership R. A. W. Rhodes, Paul 't Hart, 2014-05-29 Political leadership has made a comeback It was studied intensively not only by political scientists but also by political sociologists and psychologists Sovietologists political anthropologists and by scholars in comparative and development studies from the 1940s to the 1970s Thereafter the field lost its way with the rise of structuralism neo institutionalism and rational choice approaches to the study of politics government and governance

Recently however students of politics have returned to studying the role of individual leaders and the exercise of leadership to explain political outcomes The list of topics is nigh endless elections conflict management public policy government popularity development governance networks and regional integration In the media age leaders are presented and stage managed spun DDLas the solution to almost every social problem Through the mass media and the Internet citizens and professional observers follow the rise impact and fall of senior political officeholders at closer quarters than ever before This Handbook encapsulates the resurgence by asking where are we today It orders the multidisciplinary field by identifying the distinct and distinctive contributions of the disciplines It meets the urgent need to take stock It brings together scholars from around the world encouraging a comparative perspective to provide a comprehensive coverage of all the major disciplines methods and regions It showcases both the normative and empirical traditions in political leadership studies and juxtaposes behavioural institutional and interpretive approaches It covers formal office based as well as informal emergent political leadership and in both democratic and undemocratic polities
