## **Communication And Democratic Reform In South Africa:**

Communication and Democratic Reform in South Africa Robert B. Horwitz, 2001-04-09 The book examines the reform of the communication sector in South Africa as a detailed and extended case study in political transformation the transition from apartheid to democracy The reform of broadcasting telecommunications the state information agency and the print press from apartheid aligned apparatuses to accountable democratic institutions took place via a complex political process in which civil society activism embodying a post social democratic ideal largely won out over the powerful forces of formal market capitalism and older models of state control In the cautious acceptance of the market the civil society organizations sought to use the dynamism of the market while thwarting its inevitable inequities Forged in the crucible of a difficult transition to democracy communication reform in South Africa was navigated between the National Party's embrace of the market and the African National Congress leadership's default statist orientation *South Africa and the Logic of Regional Cooperation* James J. Hentz, 2005 Examines South Africa's role in regional political economy since its transition to democracy

*Democracy under scrutiny* Ursula J. van Beek, 2010-05-19 Values elites and ordinary people This book reveals the diverse worlds of history civic culture and values of South Africa South Korea Chile Poland Turkey Germany and Sweden It explores the similarities and contrasts between the values of the elites and the ordinary people Written from various disciplinary perspectives and offering both empirical evidence and insiders knowledge this book is bound to interest a wide variety of readers The study on which the book reports was in the main based on analyses of value orientations of the parliamentary and media elites and those of the ordinary citizens The data for the elites were obtained from surveys conducted for the purposes of the study the data for the general population were drawn from the latest World Values Surveys The volume is divided into two parts The first part entitled Theory and history considers the quality of democracy in the context of the historical and cultural heritage of the seven countries their civic culture and notions of citizenship and their constitutions as foundations of the democratic political order The second part of the book entitled Theory and empiricism assesses the quality of democracy by means of comparative analyses of the convergence and divergence in value orientations of the elites and the masses both within each case and across all the seven cases **Media in Postapartheid South Africa** Sean

Jacobs, 2019-03-11 A study of mass media in twenty first century South Africa offering revelations about the nature of citizenship and public engagement in our media saturated age Daniel R. Magaziner author of *The Law and the Prophets* *Black Consciousness in South Africa 1968-1977* In *Media in Postapartheid South Africa* Sean Jacobs turns to media politics and the consumption of media as a way to understand recent political developments in South Africa and their relations with the African continent and the world Jacobs looks at how mass media define the physical and human geography of the society and what it means for comprehending changing notions of citizenship in postapartheid South Africa Jacobs claims that the media have unprecedented control over the distribution of public goods rights claims and South Africa's integration into the global

political economy in ways that were impossible under the state controlled media that dominated the apartheid years Jacobs takes a probing look at television commercials and the representation of South Africans reality television shows and South African continental expansion soap operas and postapartheid identity politics and the internet as a space for reassertions and reconfigurations of identity As South Africa becomes more integrated into the global economy Jacobs argues that local media have more weight in shaping how consumers view these products in unexpected and consequential ways
