Weathering Storms Larry G. Warkentin, 2021-03-15 In the Crucible of Crisis Weathering Storms is a book born out of the author s personal experience and his witness of the crisis experiences of others Some have faced unimaginable stressors in life that seem meaningless and cruel Consequently one s psychology and theology may bend to the breaking point Further to this life s storms seem to amplify God s silence Yet there is never a time when the Master of the wind and waves is more attentive Weathering Storms probes these dynamics in depth Your crisis experience will end And when it does you will never be the same But the person you become after arriving on the other side of the storm is reborn with new strength insight and wisdom You will never want to go back to the person you once were that is if you walk the journey and weather the storm
