Blanscet,2021-03-19 We often think of the apostles as spiritual giants men who were uniquely qualified to walk with Jesus and carry on His mission to the world But the reality is they stand out more for their lack of qualifications They were not trained religious scholars they often misunderstood what Jesus told them and sometimes they simply failed to live up to Jesus's expectations Not only did they lack qualifications but they also encountered many of the same fears and issues we experience They struggled with doubts cowardice ambition faithlessness pessimism and greed In other words the apostles were people just like us Yet Jesus chose them to change the world And they did Lessons from the Apostles describes the struggles and personalities of these ordinary men reveals the transformation Jesus made in their lives and identifies specific lessons you can apply in your own life You will also find brief accounts of the stories and legends regarding what happened to the apostles after the Bible As you read about each of these men you will likely recognize your own personality in one or more of them And you will find encouragement from knowing that you too are the type of person God can use to change the world Index to Book Reviews in Religion ,1993 **Psalms** Donald M. Williams,1986 **Psalms 1-72** Don Williams,2004-07 General editor Lloyd J Ogilvie brings together a team of skilled and exceptional communicators to blend sound scholarship with life related illustrations The design for the Preacher's Commentary gives the reader an overall outline of each book of the Bible Following the introduction which reveals the author's approach and salient background on the book each chapter of the commentary provides the Scripture to be expounded The New King James Bible has been chosen for the Preacher's Commentary because it combines with integrity the beauty of language underlying Hebrew and Greek textual basis and thought flow of the 1611 King James Version while replacing obsolete verb forms and other archaisms with their everyday contemporary counterparts for greater readability Reverence for God is preserved in the capitalization of all pronouns referring to the Father Son or Holy Spirit Readers who are more comfortable with another translation can readily find the parallel passage by means of the chapter and verse reference at the end of each passage being expounded The paragraphs of exposition combine fresh insights to the Scripture application rich illustrative material and innovative ways of utilizing the vibrant truth for his or her own life and for the challenge of communicating it with vigor and vitality **Arts & Humanities Citation Index** ,1979 *The Catholic Periodical and Literature Index* ,1983 Who was who in America ,1996 **Who's Who in the West, 1996-1997** Marquis Who's Who,Marquis Who's Who Staff,1995-11
