Communicators Commentary Vol 4 Numbers:

Numbers R. J. Rushdoony, 2009-11-23 The Lord desires a people who will embrace their responsibilities The history of Israel in the wilderness is a sad narrative of a people with hearts hardened by complaint and rebellion to God's ordained authorities They were slaves not an army They would recognize the tyranny of Pharaoh but disregard the servant leadership of Moses God would judge the generation He led out of captivity while training a new generation to conquer Canaan The book of Numbers reveals God's dealings with both generations The rebellious in Israel are judged incessantly while a census is taken to number the armies of Israel according to their tribes This was an assessment of strength and a means to encourage the younger generation to view themselves as God's army and not Pharaoh's slaves **Numbers 20-36** L. Michael Morales, 2024-11-07 Often overlooked and regularly misunderstood the Book of Numbers is a daunting prospect for scholars preachers and students It covers part of the Israelites wilderness years between Egypt and the land of the promise seemingly very different to and detached from our modern context Yet God's covenant love remains the same and the book of Numbers remains extremely relevant for ecclesiology and for the church's life within the already not yet of the present wilderness era In his magisterial new commentary Morales carefully demonstrates the ongoing relevance of Numbers its positive vision for life and the surprising challenge it offers to contemporary Christians This detailed and comprehensive commentary sheds fresh light on a part of the Bible often referenced yet rarely preached and explained Within this commentary on Numbers 20-36 form and structure sections examine the context source critical and form critical issues and rhetorical devices of each passage Comment sections offer thorough detailed exegesis of the historical and theological meaning of each passage and explanation sections offer a full exposition of the theological message within the framework of biblical theology and a commitment to the inspiration and authority of the Old Testament Volume 2 covers chapters 20-36 and includes Morales rigorous bibliography and extensive indices An annotated Translation of the Hebrew text by L. Michael Morales forms the basis for his comments The Apollos Old Testament Commentary aims to take with equal seriousness the divine and human aspects of Scripture It expounds the books of the Old Testament in a scholarly manner accessible to non experts and it shows the relevance of the Old Testament to modern readers Written by an international team of scholars these commentaries are intended to serve the needs of those who preach from the Old Testament as well as scholars and all serious students of the Bible **The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation** Leslie C. Jeremiah and Lamentations (ESV Edition) Philip Graham

Ryken, 2016-05-13 The prophet Jeremiah is a supreme example of how believers can live well in a society that has turned against God While the book of Jeremiah chronicles the last desperate days of Jerusalem before it is conquered by an invading army Lamentations expresses the cries of Jeremiah's heart for the fallen city Together the two books reflect on the meaning of human suffering and illustrate the eternal principle that a man will reap what he sows In this commentary Philip Graham Ryken helps pastors church leaders and Bible teachers understand and teach these spiritually relevant books inspiring readers to respond to God's personal call to live for him in these troubled times Part of the Preaching the Word series

The Warrior Messiah in Scripture and Intertestamental Writings Sook-Young Kim, 2010 The picture of the warrior Messiah depicted in the Old Testament as a future redeemer figure matches that of Jesus as the warrior in the New Testament fighting against the cosmic evil power The warrior TM's struggle takes place in a cosmic heavenly dimension rather than earthly utilizing the word from his mouth as the only weapon to defeat the demons and the evil hosts Strong unity and continuity of the motif are detected within the Old and New Testaments as well as between the Testaments *Subject*

Guide to Children's Books in Print 1997 Bowker Editorial Staff, R R Bowker Publishing, 1996-09 *Exodus (ESV Edition)* Philip Graham Ryken, 2016-02-26 In this expository commentary on the book of Exodus Philip Graham Ryken mines the story of Israel's escape from Egypt for knowledge of God's character and instruction for his followers. Theologically instructive and decidedly pastoral, this commentary leads readers to rejoice at God's work in the life of every person who follows him on the path to spiritual freedom. Ryken skillfully relates how the Israelites' deliverance from slavery anticipated the salvation accomplished in Jesus Christ, proving that God remembers his covenant and always delivers on his promises. For those who preach, teach, and study God's Word, this book is more than just a commentary; it is a celebration of God's faithfulness. The book of Daniel abounds with powerful imagery showcasing God's unmatched glory and wise plan for the future. In this accessible commentary, pastor Rodney Stortz highlights the coming triumph of God's kingdom, offering pastors and Bible teachers a resource to help them explain and apply Daniel's message to Christians today. Stortz's careful exegesis and perceptive applications focus on personal holiness, the wisdom and power of God, and the importance of Daniel's prophecies concerning the Messiah and the Antichrist. In addition, this commentary looks to the New Testament to shed light on Daniel's prophecies about the future. Part of the Preaching the Word series *Books in Print*, 1991 [Subject Guide to Books in Print](#), 1997 *The Holy Spirit in the Third Millennium* Stanford Linzey, 2003 This work deals with issues surrounding the manifestation of the Spirit in prayer from theological and practical points of view. The treatment is orthodox, yet it is charismatic in tone and practical in presentation. It is a culmination of thirty years of study and experience received from conducting seminars spanning denominational lines. It has broad appeal to charismatic, Pentecostal, and parachurch groups, yet it has reached into evangelical, mainline Catholic, Pentecostal, and ecumenical groups because of its reasoned theological and biblical content. Swindoll, 2014-11-14 This newly revised and expanded edition of *Insights on Revelation* explores one of the most perplexing books in Scripture. Drawing on Gold Medallion Award winner Chuck Swindoll's 50 years of experience studying and preaching God's Word, this series combines Chuck's deep insight, signature easygoing style, and humor to bring a warmth and practical accessibility not often found in commentaries. Each of the 15 volumes in Swindoll's Living Insights New Testament Commentary series combines verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. This series is a must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word **Subject Guide to Forthcoming Books**, 1983 Presents by subject the same titles that are listed by author and title in *Forthcoming books* [That's What the Man Said](#) Maxie D. Dunnam, Maxie Dunnam, 1989-09 Look with new eyes and listen with a fresh heart; this is the approach Maxie Dunnam urges us to take as we consider the fifteen sayings of Jesus that form the basis for *That's What the Man Said*. These sayings, writes Dr. Dunnam, are tough sayings, demanding sayings, comforting sayings, bracing

sayings judging sayings These sayings can guide and strengthen us as we attempt to live with purpose and meaning as Christians Alongside a devotional commentary on the fifteen sayings Dr Dunnam provides exercises and guidance for reflection and writing These exercises help the reader experience the sayings more fully and appropriate and integrate their meaning into daily life In addition at the end of the book are questions relating to each chapter that will enable the individual reader to move deeper into the sayings and help the group leader facilitate group discussion In this book Dr Dunnam deals with such topics as trusting God making choices forgiveness valuing our humanness being as Christian as we are becoming like a child being unworthy servants cross bearing discipleship friendship with Jesus having the poor with us always and asking the question How deep is down Book jacket **Books in Print Supplement** ,1988 **How to be a Man of Character in a World of Compromise** Richard Exley,1995 Forthcoming Books Rose Arny,2002-04 *The Catholic Biblical Quarterly* Wendell Stephen Reilly,1992 Includes various reports of the Association *Faxon ...
