Communion With God Treasures Of John Owen For Today's Readers:

Communion with God Kelly M. Kavic, 2024-09-03 The recent resurgence of interest in the Puritan John Owen has resulted in increasing requests for Kelly Kavic's *Communion with God* which was one of the books that helped foster renewed attention on this classic theologian. This book is now back in print with a new preface by the author. According to Kavic, a variety of people today are rediscovering Owen including academic theologians, ministers from different denominational backgrounds, and laypeople interested in classic forms of spirituality. With this diverse audience in mind, Kavic focuses on the concept of communion with God in Owen's thought, covering key areas such as anthropology, Christology, trinitarian studies, and the Lord's Supper. Kavic shows that Owen remains a rich dialogue partner for those engaged both in contemporary theology and pastoral practice.

Salvation Is More Complicated Than You Think Alan P. Stanley, 2007-10-10 Looking at the complex but important topic of what it takes to truly be saved, Alan Stanley asserts there is more to salvation than believed.

Heroes of Faith Gene Fedele, 2003-03 2,000 Years of Christianity Be inspired through these godly men and women who changed their world for Christ. Stories of supernatural courage, callous disbelief, and the life-changing Gospel. *With Jesus* Brian G. Hedges, 2017-12-08 With Jesus takes us on a tour through Jesus' life to show us how we can find our place in the story of Christ. Christianity is not only a faith founded on facts but also a deeply personal experience of God's transforming grace in Christ. While our hope is rooted in history, the events of Jesus' life, death, resurrection, and ascension, the Scriptures also teach that every believer is included in these events. From the manger to the cross, from the empty tomb to his glorious throne, Jesus acted for us. And the mystery and wonder of the Gospel is that we are crucified, buried, raised, and seated with him. The story of Jesus rewrites our stories.

Meet the Puritans Joel R. Beeke, Fraser E. Jones, Randall J. Pederson, 2025-10-21 Whether you're meeting them for the first time or returning with questions, this is the indispensable guide to the lives and works of the Puritans. If your impression of the Puritans comes from grim portraits, high collars, and joyless sermons, *Meet the Puritans* will surprise you in the best way. Behind those caricatures lies a warm, Christ-centered spiritual tradition shaped by people who loved Scripture, treasured grace, and sought to glorify God in every part of life. The Puritans took life seriously because they took God seriously. Grace and guilt, love and sacrifice, heaven and hell weren't abstractions to them; they were urgent realities. Today, when conviction of sin is dismissed as gloom, when earnest faith is pitied, and when diligent obedience is labeled as legalism, we desperately need their witness. If you hunger for depth, for holiness, for real communion with God, open these pages. Let these lives challenge you, and these writings nourish you. Take the time to meet the Puritans; you'll find in them deep truths, godly examples, and an exalted Christ. This New Edition includes 45 new biographies for a total of 190 English and American Puritans, seventeenth-century Scottish Presbyterians, and Dutch Further Reformation divines; 278 new summaries of Puritan works with annotated bibliographies of modern reprints; a comprehensive revision of the entire previous edition; 200 new titles added to the select bibliography of secondary sources.
