Communism And Agrarian Reform In Iraq:

Communism and Agrarian Reform in Iraq Rony Gabbay, 1978 **The Iraqi Revolution of 1958** Juan Romero, 2011 In the early hours of July 14 1958 Iraqi military officers overthrew the British installed Iraqi monarchy The Free Officers coup initiated an era of military and subsequently Ba thist rule that only ended with the U S led invasion of Iraq in 2003 Historians are at variance over the nature of what is called the Iraqi Revolution in the Arab world Some scholars argue that the overthrow was merely a coup d Ztat orchestrated by the Free Officers Movement Other analysts contend that the overthrow constituted a real revolution Very few works if any provide a detailed analysis in support of the revolutionary argument Dr Romero s book advances the argument that the events of July 14 simultaneously constituted a coup and a revolution for a number of reasons including military involvement popular participation and policies that radically departed from those of the previous regime *Rural Poverty and Agrarian Reform* Steve Jones, Miguel Murmis, Puran Chandra Joshi, 1982 Critical evaluation of rural development and agrarian reform programmes in developing countries comprising fifteen case studies selected conference papers examines the impact on poverty of rural populations and particularly the way alliances and conflicts between social class interest groups have inhibited or encouraged the implementation of agricultural policies References and statistical tables Conference held in Dacca and Calcutta 1979 Mar 7 to 20 *The Shi'ites of Lebanon* Rula Jurdi Abisaab, Malek Abisaab, 2014-12-09 The complex history of Lebanese Shi ites has traditionally been portrayed as rooted in religious and sectarian forces The Abisaabs uncover a more nuanced account in which colonialism the modern state social class and provincial politics profoundly shaped Shi i society The authors trace the sociopolitical economic and intellectual transformation of the Shi ites of Lebanon from 1920 during the French colonial period until the late twentieth century They shed light on the relationship of contemporary Islamic militancy with traditions of religious modernism and leftism in both Lebanon and Iraq Analyzing the interaction between sacred and secular features of modern Shi ite society the authors clearly follow the group s turn toward religious revolution and away from secular activism This book transforms our understanding of twentieth century Lebanese history and demonstrates how the rise of Hizbullah was conditioned by Shi ites consistent marginalization and neglect by the Lebanese state *Chinese Communist Views on International Affairs* , 1979 *Land Tenure, Agricultural Economics and Rural Development: Citations 3170-7717 : Asia, Europe, Latin America and the Caribbean, Middle East, North America, Oceania* University of Wisconsin--Madison.
