Department of the Army, 1971 With Stalin against Tito Ivo Banac, 2018-10-18 In 1948 in a series of moves that culminated in the famous Cominform Resolution Stalin struck at the Communist Party in Yugoslavia provoking the first split in the Communist state system With this long awaited book Ivo Banac becomes the first scholar to assess the domestic consequences of Yugoslavia's expulsion from the Cominform and his findings will radically revise some of our most basic

assumptions about Tito's revolution Banac's subject is the nature and fate of those elements in the Yugoslav Communist party who were said to have sided with Moscow against their own country's leadership He demonstrates that the so called Cominformists represented as much as twenty percent of the party membership and had widely divergent aims He then reconstructs the history of the labrynthine factional struggles that preceded and accompanied the 1948 split and shows that as always the national question played the dominant role in Yugoslav politics After identifying the members of the opposition and mapping its course Banac recounts the harsh repression of the movement He provides massive documentation of startling irony the conflict with Stalin played the same part in the shaping of Yugoslavia's political system as the collectivization and purges of the 1930 s did in the history of Soviet communism Creating a Socialist Yugoslavia Hilde Katrine Haug, 2012-03-30 When the Yugoslav communists came into power in 1945 they claimed to have introduced a socialist solution to the Yugoslav national question But what did this claim imply Creating a Socialist Yugoslavia Tito Communist Leadership and the National Question charts the approach pursued by Yugoslav communist leaders from their endorsement in 1935 of a strategy committing to the search for a socialist solution to the national question within a multinational Yugoslav context until the party disintegrated in 1990 Hilde Katrine Haug examines the impact of the communist leadership's aspirations to create a socialist Yugoslavia on their management of national conflict in the highly heterogeneous Yugoslav state entity Contemporary Yugoslavia Wayne S. Vucinich, 2023-04-28 Contemporary Yugoslavia Twenty Years of Socialist Experiment offers a comprehensive analysis of Yugoslavia's political economic and social evolution since World War II This volume based on papers presented at a 1965 Stanford University conference explores pivotal issues such as Yugoslavia's postwar reconstruction its departure from Stalinist orthodoxy and the adoption of national communism Featuring contributions from leading scholars the book examines topics like Tito's leadership the transformation of Yugoslav Marxist thought economic decentralization and the complex nationality problem The authors highlight Yugoslavia s unique trajectory blending socialism with capitalistic reforms and its impact on both domestic stability and international relations This insightful collection underscores the profound effects of wartime disruptions and Communist policies on Yugoslav society from social modernization to enduring ethnic tensions Essays delve into the struggle for national unity amid centrifugal forces the role of strategic leadership and the challenges of sustaining liberalization and democratization For scholars and readers interested in Cold War history socialist systems or the Balkan region this book provides a nuanced understanding of Yugoslavia s revolutionary path and its broader implications for global politics and social change This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1969 Nationalism and Federalism in Yugoslavia, 1962-1991 Sabrina P. Ramet, 1992 This book

seeks to demonstrate that with the multifaceted reform set in motion between 1963 and 1965 the Yugoslav political system acquired domestically the basic features of an international balance of power system These features account for the basic pattern and dynamics of Yugoslav politics to the present day The Bosnian Muslims Francine Friedman, 2018-10-08 Although their plight now dominates television news worldwide the Bosnian Muslims were until recently virtually unknown outside of Yugoslavia This meticulously researched comprehensive book traces the turbulent history of the Bosnian Muslims and shows how their mixed secular and religious identity has shaped the conflict in which they are now so tragically embroiled Although their plight now dominates television news worldwide the Bosnian Muslims were until recently virtually unknown outside of Yugoslavia Who are these people Why are they the focus of their former neighbors rage What role did they play in Yugoslavia before they became the victims of ethnic cleansing Why has Bosnia Hercegovina once a model of ethnic tolerance and multicultural harmony suddenly exploded into ethnic violence Focusing on these questions Friedman provides a comprehensive study of this national group whose plight has riveted governments the press and the public alike With a name reflecting both their religious and their national identity the Bosnian Muslims are unique in Europe as indigenous Slavic Muslims Descendants of schismatic Christians from the Middle Ages they converted to Islam after the Ottoman conquest of Bosnia The book follows them as they went from victims of crusades during the Middle Ages to members of the ruling elite within the Ottoman Empire from rulers back to subjects under Austria Hungary and later subjects again this time under the Serbs in the interwar Yugoslav Kingdom and the Communists after World War II The Bosnian Muslims have survived through it all even thriving during certain periods most notably when they were recognized by Tito as a nation Meticulously tracing their turbulent history and assessing the issues surrounding Bosnian Muslim nationhood in Yugoslavia Friedman shows us how the mixed secular and religious identity of the Bosnian Muslims has shaped the conflict in which they are now so tragically embroiled Yuqoslav Communism and the Macedonian Question Stephen E. Palmer, Robert R. King, Robert Ray King, 1971 The National Question in Yugoslavia Ivo Banac, 2015-08-11 Even before it collapsed into civil war ethnic cleansing and dissolution Yugoslavia was an archetypical example of a troubled multinational mosaic a state without a single national base or even a majority Its stability and very existence were challenged repeatedly by the tension between the pressures for overarching political cohesion and the defense of separate national identities and aspirations In a brilliant analysis of this complex and sensitive national question Ivo Banac provides a comprehensive introduction to Yugoslav political history His book is a genetic study of the ideas circumstances and events that shaped the pattern of relations among the nationalities of Yugoslavia It traces and analyzes the history and characteristics of South Slavic national ideologies connects these trends with Yugoslavia's flawed unification in 1918 and ends with the fatal adoption of the centralist system in 1921 Banac focuses on the first two and a half years in the history of the Kingdom of the Serbs Croats and Slovenes because in his view this was the period that set the pattern for subsequent development of the national

question The issues that divided the South Slavs and that still divide them today took on definite form during that time he maintains Banac provides extensive treatment of all of Yugoslavia's nationalities his sections on the Montenegrins Albanians Macedonians and Bosnian Muslims are unique in the literature In this unbiased account all of the principals and groups assume a tragic fascination When published in 1984 The National Question in Yugoslavia was the first complete introduction to the cultural history of the South Slavic peoples and to the politics of Yugoslavia and it remains a major contribution to the scholarship on modern European nationalism and the stability of multinational states Nationalism and Federalism in **Yugoslavia, 1963-1983** Sabrina P. Ramet, 1984 **Montenegro** Kenneth Morrison, 2009-01-23 In May 2006 following a closely and bitterly fought referendum Montenegro finally regained the status of an independent nation that it had lost in 1918 the most recent chapter in a highly turbulent history The tiny Balkan republica's declaration of independence from Serbia represented barring the final resolution of Kosovoa's status the final stage in the disintegration of what was once Yugoslavia But how did the Balkans forge this tiny republic What sets it apart from the other dominant powers in the region And what will be its future role on the worlda's stage Montenegro A Modern History charts the countrya's contemporary history in accessible and comprehensive form Kenneth Morrison explores the forces that have shaped the republic of Montenegro and questions where this will lead in the future examining the fundamental issues of Montenegrin identity and statehood in a wider European as well as a Balkan context This full and authoritative modern history is essential reading for everyone interested in the political and social dynamics of one of Europea s youngest states **Values and Community in** Multi-national Yugoslavia Gary K. Bertsch, 1976 This story published thirty years ago remains extremely relevant to this day in that the author envisioned all problems related to the thankless task of nation building in a multiethnic and multicultural Yugoslavia The Albanian Problem in Yugoslavia Stevan K. Pavlowitch, Elez Biberaj, 1982

Inter-republican Relations in Contemporary Yugoslavia Sabrina P. Ramet,1981 Communism and the Yugoslavia National Question Paul Shoup,1968 Yugoslav Communism United States. Congress. Senate.
