**Communism with the Mask Off and Bolshevism in Theory and Practice** Joseph Goebbels, 2017-01-12 Two dramatic speeches made by the German Minister of Propaganda at the famous Nuremberg rallies of 1935 and 1936 which sum up the National Socialist interpretation of Communism and its threat to the world In *Communism with the Mask Off* 1935 Goebbels describes in detail the Jewish origins of Marxism and Communism and lists the Jewish leaders and instigators of that ideology in Russia Germany many European nations and even China As far as we ourselves are concerned we have completely overcome this menace Indeed perhaps outside of his work in Germany the greatest service which our Fuhrer has rendered the world is that here in Germany he has set up a barrier against world Bolshevism against which the waves of this vile Asiatic Jewish flood break in vain In *Bolshevism in Theory and Practice* 1936 he discussed the practical social political and economic consequences of Marxism and how Germany had broken that menace We have proved under the most unfavourable circumstances that Bolshevism can be overcome if one wishes to do so if one uses the proper means and if one is determined to oppose the powers of destruction with all one's strength and all one's manly courage May the world follow Germany's example Of course National Socialism is not suitable for export and other nations shall not be persuaded or even forced to adopt its methods Yet it may prove instructive and its methods of procedure may stimulate other nations to adopt the same course and thus evade a terrible crisis About the author Paul Joseph Goebbels 1897-1945 was an early member of the Nazi Party and reputedly had the highest IQ in the party He obtained a PhD from Heidelberg University in 1921 with a thesis in nineteenth century Romantic School Literature he then went on to work as a journalist By 1924 he had joined the NSDAP and two years later was appointed leader of the party in Berlin to wrest political control of that city from the Communist Party

**Communism with the mask off** Joseph Goebbels, 1936      War and Semiotics Frank Jacob, 2020-12-28 Wars create their own dynamics especially with regard to images and language The semiotic and semantic codes are redefined according to the need to create an enemy image or in reference to the results of a war that are post event defined as just or reasonable The semiotic systems of wars are central to the discussion of the contributions within this volume which highlight the interrelationship of semiotic systems and their constructions during wars in different periods of history      **Lloyd George**

**Takes the Mask Off** Estelle Sylvia Pankhurst, 1920      **The Politics of Language** David Beaver, Jason Stanley, 2025-10-28 In much of the theory of meaning philosophers and linguists have focused on the use of language in conveying information in cooperative informational exchanges As a result political uses of speech of the sort that political propaganda exemplifies have not been taken to be a central case of language use In this book Jason Stanley and David Beaver focus on the political use of speech as a central case which leads to a foundational rethinking of the theory of meaning By focusing on the political uses of speech one arrives at better and more general tools to describe speech as well as a more accurate view of its central functions More dramatically it enables us to see the ways in which virtually all speech is political a fact that is masked by
