Communisms Collapse Democracys Demise The Cultural Context And Consequences Of The East German Revolution:

Communism's Collapse, Democracy's Demise? L. McFalls, 1994-11-21 Based on original research this book explores East German political culture and its role in the revolution of 1989 and in reunification Specifically the book shows how a set of common values stabilised the communist regime until the 1980s how the undermining of these values motivated revolutionary mobilization and how the partial survival of this specific culture and its conflict with West German culture have contributed to the post unification political crisis **Communism's Collapse, Democracy's Demise?** Laurence H.

McFalls, 1995 **Encyclopedia of Contemporary German Culture** John Sandford, 2013-04-03 Pre and post unification culture Includes Austria and Switzerland Annotated suggestions for further reading English and German language works

Partisan Histories P. Kenney, M. Friedman, 2016-09-23 Partisan Histories is an introduction to the multiple uses of history in contemporary political debate and conflict As communities reimagine themselves a contest over defining legitimacy identifying us and others and jockeying for political control intersects with fights over history and memory Here distinguished scholars examine how competing versions of national identity are legitimized through appeals to carefully constructed pasts both in democracies and in repressive regimes The essays focus on the cases of Armenia Chile France Germany India and Pakistan Israel and Palestine Japan Nigeria and the United States to draw broader conclusions about the worldwide effect of traumatic memory questions of punishment and restitution and the instrumentalization of the past for political purposes **Historical Dictionary of Contemporary Germany** Derek Lewis, Ulrike Zitzlsperger, 2016-10-18 This

second edition of Historical Dictionary of Contemporary Germany provides a comprehensive overview of most aspects of life and institutions in contemporary Germany It also introduces the reader to the historical development of both East and West Germany between 1949 and 1990 and addresses the various issues arising from reunification This second edition of Historical Dictionary of Contemporary Germany contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Germany **Political Transition** Paul Gready, 2003-04-20 In the twentieth century many countries around the

globe experienced rapid and often traumatic political transformations From East Germany and Northern Ireland to Argentina Chile and Zimbabwe political transition has been momentous and has had a deep impact on the individual culture of each society This collection explores these periods of political transition and the impact that they have had through an analysis of memory identity space place and voice Concentrating in particular on post colonial and post oppressive regimes in Europe Southern Africa and Latin America the contributors assess how individuals come to terms with rapid political change and the enduring legacies of the past in the present They examine how political transformations affect people's memories and

identities reworking spaces places and voices and how both official and unofficial mechanisms set up to cope with these changes impact on these issues Juxtaposing different country and regional experiences and different historical eras this is a comprehensive guide to the vast range of issues involved in political transition *After The Wall* Patricia J Smith,2019-05-20 Since the fall of the Berlin Wall in November 1989 Germany has faced complex challenges The rapid introduction of political economic and social union in 1990 joined East and West in an experiment without precedent as the former German Democratic Republic adopted the structures of the Federal Republic of Germany Related issues include the ado
