Revisiting Marxism Tibor R. Machan, 2006 For some time there has been no direct critique of Marx s ideas from those who value the position he most harshly attacked bourgeois capitalism The few who did criticize Marx were economists such as Thomas Sowell Eugen B hm Bawerk and Ludwig von Mises Others attacked Marx s ideas but did not actually defend the concept of capitalism In 1987 shortly before the fall of the Soviet Union David Conway published his *Farewell to Marx* which offered a philosophical critique of Marx This work however developed in part from a position that uncritically embraces economism or what the author calls the homo economicus conception of human life In *Revisiting Marxism* Tibor Machan contrasts Marx s historicist collectivism with a neo Aristotelian individualism as presented by among others David L Norton and Ayn Rand It criticizes Marxism based on this position the one he most directly disparaged Also
