History of the Communist Party of the Soviet Union Boris Nikolaevich Ponomarev,1962     *The Rules of the Communist Party of the Soviet Union* Graeme J. Gill,1988 Complete texts of all the editions of the CPSU party statutes plus amendments from the party's foundation in 1898 through the Twenty seventh Party Congress in 1986     Outline History of the Communist Party of the Soviet Union Nikolai Nikolaevich Popov,1930     **Outline History of the Communist Party of the Soviet Union** Nikolai Nikolaevich Popov,1934     **Resolutions and Decisions of the Communist Party of the Soviet Union: The Khrushchev years, 1953-1964** Robert Hatch McNeal,1974     *History of the Communist Party of the Soviet Union. (Translated from the Russian Union of Soviet Socialist Republics (Russia). - Communist Party,1960*     **The Communist Party of the Soviet Union** Boris Meissner,1956     *The Communist Party in Post-Soviet Russia* Luke March,2002 This pioneering analysis uses the results from the first ever Irish election study to provide a comprehensive survey of the motives outlook and behaviour of voters in the Republic of Ireland Building on the foundations laid down by previous work on comparative electoral behaviour it explores long term influences on vote choice such as party loyalties and enduring values as well as short term ones such as the economy the party leaders and the candidates themselves It also examines how people use their vote and why so many people do not vote at all Many features of Irish elections make such a detailed study particularly important The single transferable vote system allows voters an unusual degree of freedom to pick the candidates they prefer while electoral trends observed elsewhere can be found in a more extreme form in Ireland For example attachment to parties is very low differences between them are often obscure candidate profiles are very high and turnout is falling rapidly However Irish elections defy international trends in other respects most notably in the degree of personal contact parties and candidates make with their voters Findings are presented in a manner that is highly accessible to anyone with an interest in elections electoral systems and electoral behaviour The book is essential reading for anyone interested in Irish politics and is an important text for students of European Politics Parties and Elections Comparative Politics and Political Sociology     **History of the Communist Party of the Soviet Union (Short Course)** J.V. Stalin,2016-03-03 We may take it as the rule Comrade Stalin says that as long as the Bolsheviks maintain connection with the broad masses of the people they will be invincible And on the contrary as soon as the Bolsheviks sever themselves from the masses and lose their connection with them as soon as they become covered with bureaucratic rust they will lose all their strength and become a mere cipher     **The Communist Party of the Soviet Union** Leonard Schapiro,1970     **History of the Communist Party of the Soviet Union (Bolsheviks)** ,1939     *The Soviet Communist Party* Ronald J. Hill,Peter Frank,2024-04-12 The Soviet Communist Party 1986 provides a concise and accessible description analysis and assessment of the Communist Party of the Soviet Union CPSU and its place in the Soviet political system It covers the Party's structures membership personnel and functions and relations with the state institutions and discusses the Party's role in leading other

institutions and the press and the part it plays in foreign relations The book concludes with an examination of the CPSU in terms of a number of concepts that have been applied to it as an elite a class a totalitarian leader s following

*Resolutions and Decisions of the Communist Party of the Soviet Union Volume 1* RALPH CARTER ELWOOD,1974-12-15  
This set of four volumes is an indispensable reference work for the study of modern Russia in general and Soviet Communism in particular Ever since its foundation on the eve of the twentieth century the organization now called the Communist Party of the Soviet Union has been embodying its major policies in documents called resolutions and decisions These form a much more continuous and extensive record of the evolution of Soviet Communism than the writings of any single leader and the standard Soviet anthology of these materials has gone through eight editions over a fifty year period Yet most of this essential material has been available only in Russian and even in that language the standard editions have been marred by selectivity and editorial comment that is often politically motivated At last students of modern Russian studies have access to a multi volume work that not only presents the most important Communist Party resolutions and decisions in English but also amplifies the standard Soviet anthology in important respects and provides editorial explanation that is independent of Kremlin politics The rich store of materials in these four volumes ranges from the formation of the party to the fall of Khrushchev and it deals with a wide range of issues The clearly organized volumes each contain a major introductory essay as well as shorter background essays on each party congress conference or Central Committee plenum The documents approved by these meetings are often fundamental in importance but the centralist operation of the party in power has been such that many of the most vital decisions have been issued in the name of the Central Committee when there was no meeting of that body at all It is one of the signal achievements of these volumes that the selection of materials included was based on a list of all known part decisions whether or not they have been included in the main Soviet reference work The four volumes in this series are edited as an integral set Each contains a subject index in which Russian abbreviations and acronymic names are translated Tables summarizing the personnel of the main party executive bodies since 1917 are also provided At the same time each of the volumes is built around a coherent period in the development of Russian Communism and each reflects the special features of its time Volume 1 treats the period before the October Revolution of 1917 It is the first collection of materials on the early evolution of the Russian Social Democratic Party that deals with the entire movement so that the interaction of the various factions of the party may be understood as a whole and not merely in a partisan Leninist framework This volume also breaks new ground in publishing in English vital records of Communist activity during the Revolution of 1917
