Community Politics And Peasant State Relations In Paraguay:

Community Politics and Peasant-State Relations in Paraguay Brian Turner, 1993-09-08 This work studies the political behavior of peasants in four Paraguayan communities that were selected to measure the influence of two variables on political behavior economic location and the history of elite peasant relationships The author discusses the impact of both capitalist development and local history on community political responses He addresses their efforts to obtain and secure access to land agricultural policies defense and abuse and respect for the peasant ideal of social relationships Turner concludes that local history is the strongest determining variable in discerning which communities are more likely to achieve relative political efficacy Community Politics and State-peasant Relations in Paraguay Brian Turner, 1992

Historical Dictionary of Paraguay R. Andrew Nickson, 2015-06-17 Land locked Paraguay is one of the smaller nations of Latin America whose global image is now changing very rapidly In the process the tired stereotype of a forgotten country comprising only military dictators Nazis and steam trains is being rapidly discarded Indeed Paraguay is now no longer off the map and its unique history is attracting growing interest This third edition of Historical Dictionary of Paraguay covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Paraguay Latin American Politics And Development, Fifth Edition Howard J. Wiarda, 2019-03-06 This book offers a region wide overview of the patterns and processes of Latin American history politics society and development It provides a detailed country by country treatment and unique features of all Latin American countries The Government of Beans Gregg Hetherington, 2020-05-15 The Government of Beans is about the rough edges of environmental regulation where tenuous state power and blunt governmental instruments encounter ecological destruction and social injustice At the turn of the twenty first century Paraguay was undergoing dramatic economic political and environmental change due to a boom in the global demand for soybeans Although the country s massive new soy monocrop brought wealth it also brought deforestation biodiversity loss rising inequality and violence Gregg Hetherington traces well meaning attempts by bureaucrats and activists to regulate the destructive force of monocrops that resulted in the discovery that the tools of modern government are at best inadequate to deal with the complex harms of modern agriculture and at worst exacerbate them The book simultaneously tells a local story of people plants and government a regional story of the rise and fall of Latin America s new left and a story of the Anthropocene writ large about the long term paradoxical consequences of destroying ecosystems in the name of human welfare Contraband Cultures Jennifer Cearn, Charles Beach, 2024-09-17 Contraband Cultures presents narratives representations practices and imaginaries of smuggling and extra legal or informal circulation practices across and between the Latin American region including the Caribbean and its diasporas Countering a fetishizing and hegemonic imaginary

typically stemming from the Global North of smuggling activity in Latin America as chaotic lawless violent and somehow exotic this book reframes such activities through the lenses of kinship political movements economic exchange and resistance to capitalist state hegemony The volume comprises a broad range of chapters from scholars across the social sciences and humanities using various methodological techniques theoretical traditions and analytic approaches to explore the efficacy and valence of smuggling or contraband as a lens onto modes of personhood materiality statehood and political disconnection across Latin America This material is presented through a combination of historic documentation and contemporary ethnographic research across the region to highlight the genesis and development of these cultural practices whilst grounding them in the capitalist and colonial refashioning of the entire region from the sixteenth century to the present day *Looking behind the Label* Tim Bartley, Sebastian Koos, Hiram Samel, Gustavo Setrini, Nik Summers, 2015-05-25

What does it mean when consumers shop with a conscience and choose products labeled as fair or sustainable Does this translate into meaningful changes in global production processes To what extent are voluntary standards implemented and enforced and can they really govern global industries *Looking behind the Label* presents an informative introduction to global production and ethical consumption tracing the links between consumers choices and the practices of multinational producers and retailers Case studies of several types of products wood and paper food apparel and footwear and electronics are used to reveal what lies behind voluntary rules and to critique predominant assumptions about ethical consumption as a form of political expression **Abstracts on Rural Development in the Tropics**, 1994 **Encyclopedia of the**

Developing World Thomas M. Leonard, 2013-10-18 A RUSA 2007 Outstanding Reference Title The Encyclopedia of the Developing World is a comprehensive work on the historical and current status of developing countries Containing more than 750 entries the Encyclopedia encompasses primarily the years since 1945 and defines development broadly addressing not only economics but also civil society and social progress Entries cover the most important theories and measurements of development relate historical events movements and concepts to development both internationally and regionally where applicable examine the contributions of the most important persons and organizations and detail the progress made within geographic regions and by individual countries **Canadian Journal of Latin American and Caribbean Studies**, 2001

Economic Analysis Beyond the Local System Richard E. Blanton, 1997 NOTE Special Title Co published with Society for Economic Anthropology *MANIFESTACIONES PREPOLITICAS DE MALESTAR CAMPEÑO REGIÓN GUAIRÁ - CAAZAPÁ* Ramón FOGEL, Sandra VALDEZ, Blas DUARTE, Carlos Anibal PERIS, 2025-04-22 El presente libro es una obra muy bien lograda de la interdisciplinariedad de las ciencias sociales ya que desde la sociología a historia se construye una historia social crítica de los departamentos de Caazapa y del Guairá teniendo como objeto de estudio a un actor subalterno como lo es el campesinado Las respuestas prepolíticas del campesinado a los cambios sociales introducidos por la modernidad de posguerra construyen una forma de ver la ciencia social que no subestima ni es condescendiente sino que da agencia y

protagonismo a actores sociales largamente postergados dentro de la historiografía paraguaya incluso con la reproducción de testimonios mediante la historia oral Esperamos que esta contribución pueda animar a nuevos abordajes y nuevas producciones que ayuden a ampliar los conocimientos de la historia social paraguaya *The Struggle for Land in Paraguay* Michele Catherine Glode,1998 **British Bulletin of Publications on Latin America, the Caribbean, Portugal, and Spain** ,1995 **The Encyclopedia Americana** ,2000 Political Science Abstracts ,1994-11-30 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available **Ethnicity, Property, and the State** Elizabeth M. Rogers,2001 The Cumulative Book Index ,1995 A world list of books in the English language *The Economic Anthropology of the State* Elizabeth M. Brumfiel,1994 This work examines the scope rationality and limits of state intervention in the economy drawing upon studies of tribute based states of antiquity and modern capitalist states In examining how state personnel intervene in the economy this book draws three conclusions about the economic anthropology of the state First there is a great range of variation in the way that states intervene in the economy Second the economic impact of the state extends far beyond its role in organising or managing production and distribution Finally understanding the economic anthropology of the state requires an awareness of the strength of powerholders outside the state especially those who are often regarded as powerless Encyclopedia Americana Scholastic Library Publishing,2006
